Kris, we survive
geometry, thanks for
being such a great friend
up it wasn't for you I
would have never met Gaetano.
You made lunch a little more
wearable too! too bad we spent
most of our time avoiding Cindy &
Caroline! we always end up with good
well, have a great summer and I'll see ya later!
as a senior I take care and I'll see ya later!
Don't party too much! friends always!

Kris. It's been fun Joking
around with you this year
in American Studies. I
know you secretly have fallen
in love with Mr. Sullivan - HA HA,
Bart acct. HAVE A NEAT-O Summer
see ya
Edwards

Kris I'm glad I
had you in band. You have
been a great friend. I hope
you have a good summer. Good
luck in 12th &

Kris -
Hi! I'm glad you were in
the torture tomb with me. We
made it through Sullivan's
prison. No more Hitler! No,

I guess he was a good

Kris -

Well between softball & Sullivan
I don't know which was worse.
From one flake to another I know
we will never forget Chucky baby!
I hope next year you play softball
(AND DON'T TAKE local history) have a great
summer! Take Care.

Love
Maureen the Flak

Hiis,
Sorry I didn't see
you in band. I tried
honestly I tried but it's
all Dad's fault! I'm not going
to be in it next year either! I'm
really P.O.'d. too bad F.V. softball
didn't beat Gunderson! (he, he), but
you looked good. See ya next year.
Mr. Shelton for President!
Love, Alex

Hiis,

to an awesome
softball player (or at least
she thinks she is) it was
great having you in band.
What would we do without
your great sense of humor. I
hope your summer is the very
best. Hope to see ya next year.

Love,
Mick

Kris,
I'm so glad
I met you this year! We've
had a lot of fun. (In

good friends, I hope
at next year, have you in
some of my classes
a great summer,

Cris + Erik +
Tom + Joe +
Byron, good
luck with
all the guys
you like.
Next year
you'll be a
big senior,
but I hope
you'll still
hang around
us. I hope
we could do
something this
summer, like
play Charlie's
Angels again
in Oakridge.
Don't get drunk

MOVIN' ON MOVIN' ON MOVIN' ON

"Students jostling each other in the halls, friendly "Hi's" and whispered secrets . . . I've seen it all during my years here. Since students first christened me THE CHARGER ten years ago, I have stood watch over Leland High School.

Believe me, it hasn't been all that easy! I have been toilet papered, hit by a truck, and painted every color but pink. Pranksters have crowned me with a garbage can, a Union 76 ball, and a Burger King hat. Seniors have adorned me with Hawaiian garb and palm fronds, and I even have a KOME sticker slapped on my nose.

My images and moods have changed with each class. I have seen fads come and go, every extreme from crew cuts to long hair, mini-skirts to Levi 501's. Leland students keep changing. Why, this year I even have little ones to care for!!!

But in the midst of these changes I have seen the same smiles of joy, outbursts of spirit, and desires to reach high and be somebody. No wonder I can hold my head high and proud!

All the events of the past are becoming a blur. I am moving ahead with each class . . . continuing the traditions of achieving, learning, and excellence. We're MOVIN' ON!!!!"

Barb and Marge Ann Wimpee are sisters. Marge Ann graduated in 1968 with the first graduating class. Now celebrating Leland's 15th Birthday we have Barb graduating with the class of 1983. We asked them to write their impression of Leland to compare the intervening years. This is their report.

Barb Wimpee - Class of '83

The Class of 1983 is about three times the size of the class of 1968. Leland has grown and changed in many ways since it opened. Perhaps this year's changes have been the greatest. A new principal, a new vice principal, the freshman class, additions to the faculty, and no lockers. This year at Leland will be the one I remember most.

Leland is filled with opportunities for all different kinds of people. We have such great advantages with computers and video recorders for our use. Here one can plan to be a farmer taking agricultural classes, a radio broadcaster learning from hands on experience at KLEL, or a doctor taking any of the many science classes offered here. In the future I hope to become an engineer.

When I am married and settled in a job I will look back on my years at Leland with fond memories. The flooded parking lot and quad, the Homecoming, parade down Via Valiente, speech tournaments in Crescent City, decorating for the Junior Prom, studying for American Studies midterms, Physics labs and magazine drives are just a few that stand out in my mind. I'm going to miss Leland, but we've always got our 10 year reunion to look forward to!

Marge Ann Wimpee - Class of '68

In the Spring of 1967, a little dust devil was stirred up at Pioneer High. A handful of us were to be sent to a new school set in the middle of a peach orchard, and were not to graduate with our friends. We did everything we could to get out of it-letters, petitions, meetings, phone calls, but to no avail. Along about the time that we had accepted the fact that our parents wouldn't move back into Pioneer's district and had given up hope of a construction strike that would delay the opening, the whirlwind that was Leland High School began to gather momentum and bound us up in a wonderful Oz-like tornado from which we could not escape. The enthusiasm with which we bounded onto campus that first day in September never waned through the entire year.

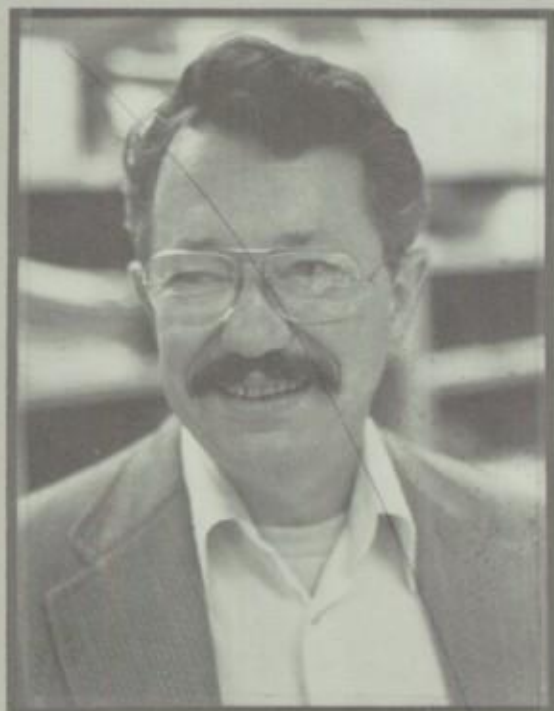

A lot has changed since then, but a lot more is going to change in the next fifteen years. Very few of us became what we set out to be, and very few of us did what others expected us to do. I might also add that very few of us listened to advice, either! Most of our teachers have retired, a few have passed away, and I see grey in the pictures of others - heck, there's grey in my own hair! What has been an entire lifetime to some of you reading this has been but a short time to me, and like yesterday to those on the faculty who were also there when Leland opened its doors for the first time; it will be the same for you fifteen years from today. Make the most of it - it's a big wide wonderful world beyond the boundaries of Leland High School, but Leland is a great school and I'm proud to have been among those who helped make it what it is.

1968 1983

1. For the first decade here we had no bells. Students had free time to work in the library and in the resource centers. During these years Leland was a school that prided itself on its almost unique character. Today the resource centers are gone and the bells move students from class to class, always the same length, whatever the subject. Whatever the advantages were to the old system, this one is easier to run and that seems to be the chief criterion for making such decisions here in recent years. Previously decisions were made on the basis of what was best for the instructional program and the students' education.
2. Very little. There was a period in the early 1970s when it was something of a fad to "drop out" of school even while attending, but this was never a dominant attitude at Leland. The greatest change has been the decline of students' ability to work. In the American Studies program we required almost double the amount of reading we require today. This has gradually been cut back as the students' capacity to work has seemed to decline. It is not clear to me why this has happened. I think partly it is due to the many more distractions available to students now than 15 years ago. There is more of a youth culture and market than before. Students seem more to think of themselves as static in their values and tastes than previously when they more often saw themselves as being merely at a stage in the process of becoming adults.
3. Teaching and coaching at Leland has been mostly an exciting experience with many chances taken and many satisfying results.

Charles Sullivan, History Dept.

"...a few words from our Founding Fathers."

Leland had an eager faculty and administration to open school that first year, 1967 - 1968. They helped the then principal, Aaron Seandel, set the course for the Chargers. These "founding fathers" Charles Sullivan, History, Neil Morrison, Science, Sid Waller, English, and Bud Lamborn, Math, answered three questions for the 1983 Legend.

1. "What are the major changes you have observed at Leland in the last 15 years?"
2. "Have students and student attitudes changed in 15 years?"
3. "What one sentence would best sum up your teaching experience at Leland these last 15 years?"

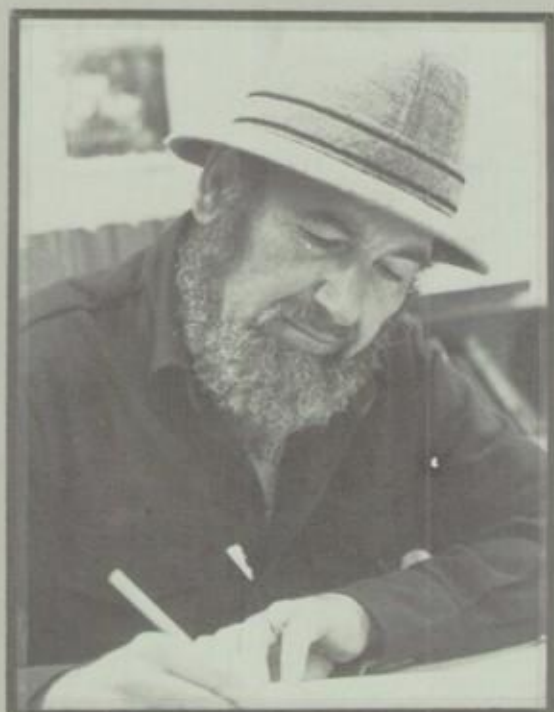

1. Overcrowding, deterioration of the campus, lessening of some of the standards - but these changes are often products of growth.
2. Somewhat, as the climate of the times have changed. But basically, we have the same kinds of kids as we used to. There are the eager students, then the nondoers - and of course a mass inbetween.
3. Great, and I still think of this school as a new one, and I've never gotten over that initial impression.

Sid Waller, Leland English Dept.

1. Increase in student population from 660 to 2200 and back to the present enrollment. Student ability is not as high, but best students are as good or better now. Vandalism is greater now. Many money problems in financing education.
2. Yes - overall ability has declined. Most students do not have the goals of the average student of 1967.
3. Increasing problems with financing and student attitudes have been frustrating, but the rewards are still there - just fewer in number.

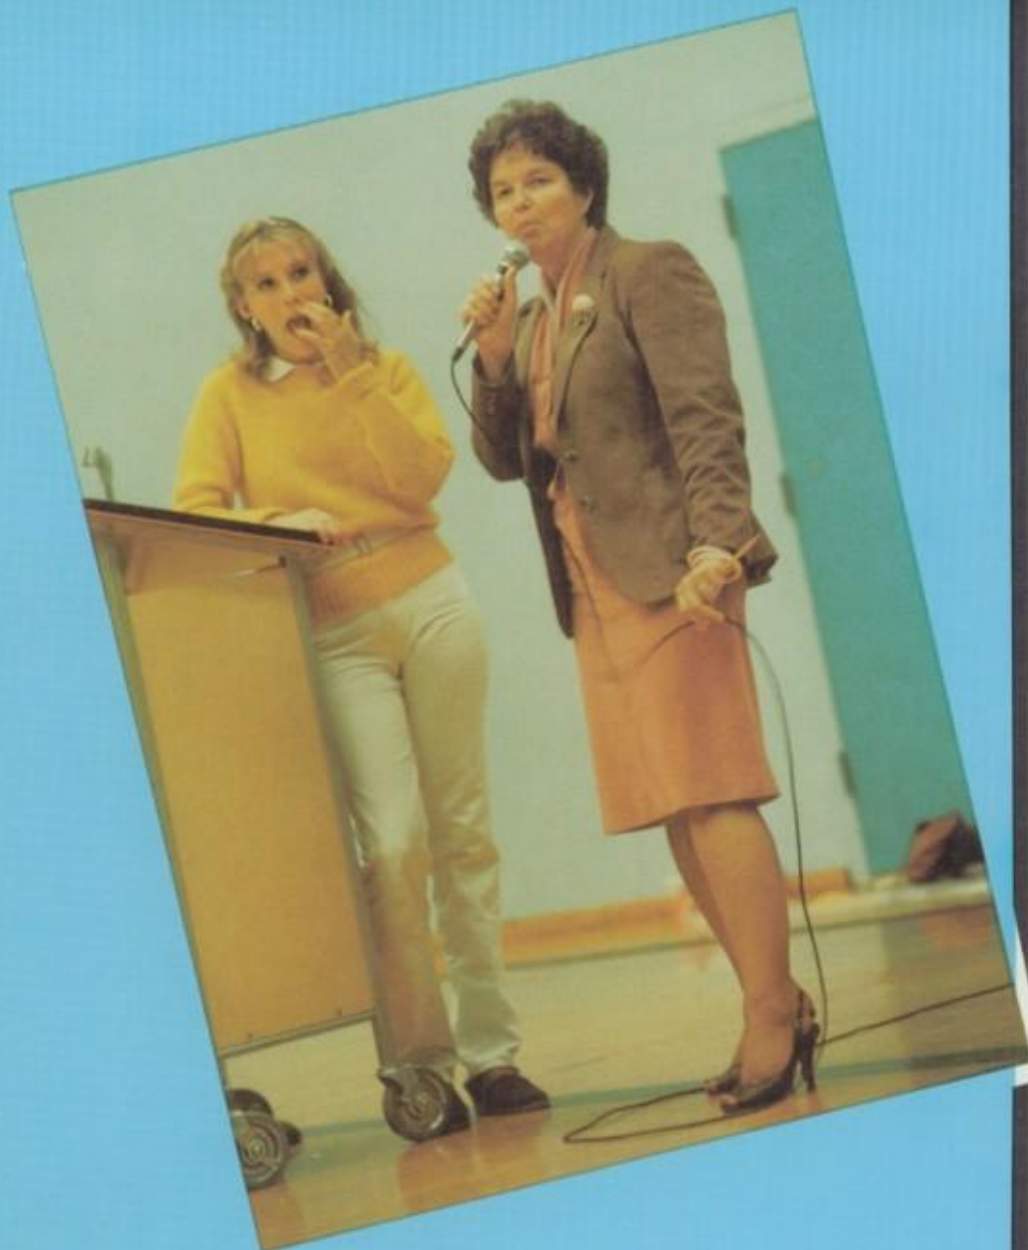

Neil Morrison, Science Dept.

1. Obviously the ninth grade and the much larger enrollment are major changes. The loss of the elective program and the resource centers, along with limited number of classes a student may take, are unhappy changes we have experienced.
2. Students seem to worry more these days about their G.P.A. than about their education. Overall, students are less school oriented than they used to be.
3. I am glad I had the opportunity to teach mathematics to so many outstanding students.

Bud Lamborn, Leland Math Dept.

CHANGES

"No #?*\$%! lockers! (I'm getting backpackers palsy.) Split lunch periods! Only 5 classes! No counselors! \$1.50 for lunch! Freshman! No barefeet, skateboards or Sony Walkman's! ID cards! Other than these minor problems, everything at school is dandy, and peachy keen." JEFF LEE

"Backpacks instead of lockers ... will we be able to sue for future back problems inflicted by these 25lb. puppies?" AMY BEAULIEU

"From the lack of lockers and lack of cooperation from Freshmen, I have had to carry my own books; thus receiving Backpacker's Palsy. And because of the ban on Walkman's I have unfortunately recovered my hearing." GARY TZENG

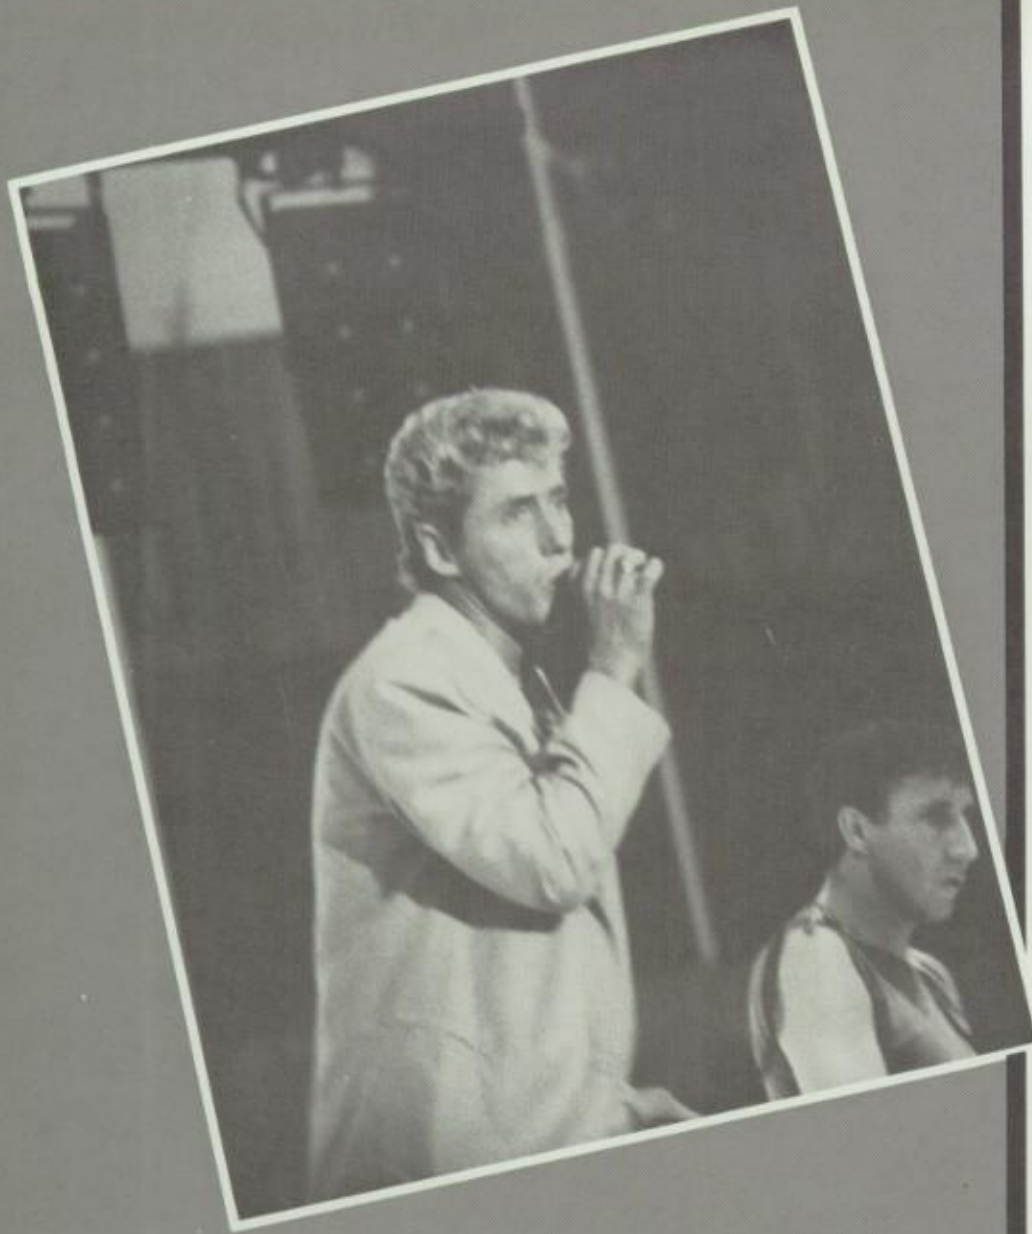

BACKPACKS? FRESHMAN? BIRTHDAYS?

Leland has changed this year in many ways. The redistribution of principals and the combination of Junior High and High Schools affected all schools throughout San Jose Unified. Leland, however, experienced many new changes and additions of its own.

Leland's additions include a new principal, new administration, Freshmen, and I.D. cards. Some changes that have taken place are split lunches, no lockers, and a nicer looking school due to Beautification Programs.

On these pages our new principal, Bonnie Thompson addresses the student body at a rally. Backpacks litter the floors while the Freshmen clutter the library. The new attendance procedure means long lines at the bank, while split lunches change our campus social life. Changes! Some of us had birthdays and balloons. Happy Birthday Coach Buck!

OCTOBER 23, 1982

On this date The Who was the featured band at the Day on the Green #3. Accompanied by The Clash and T-Bone Burnette, The Who rocked the Oakland Colliseum and the Cow Palace with brilliant performances of their new and old material.

The Who were no strangers to the Bay Area, having played here several times previously. This tour, however, was the last for The Who.

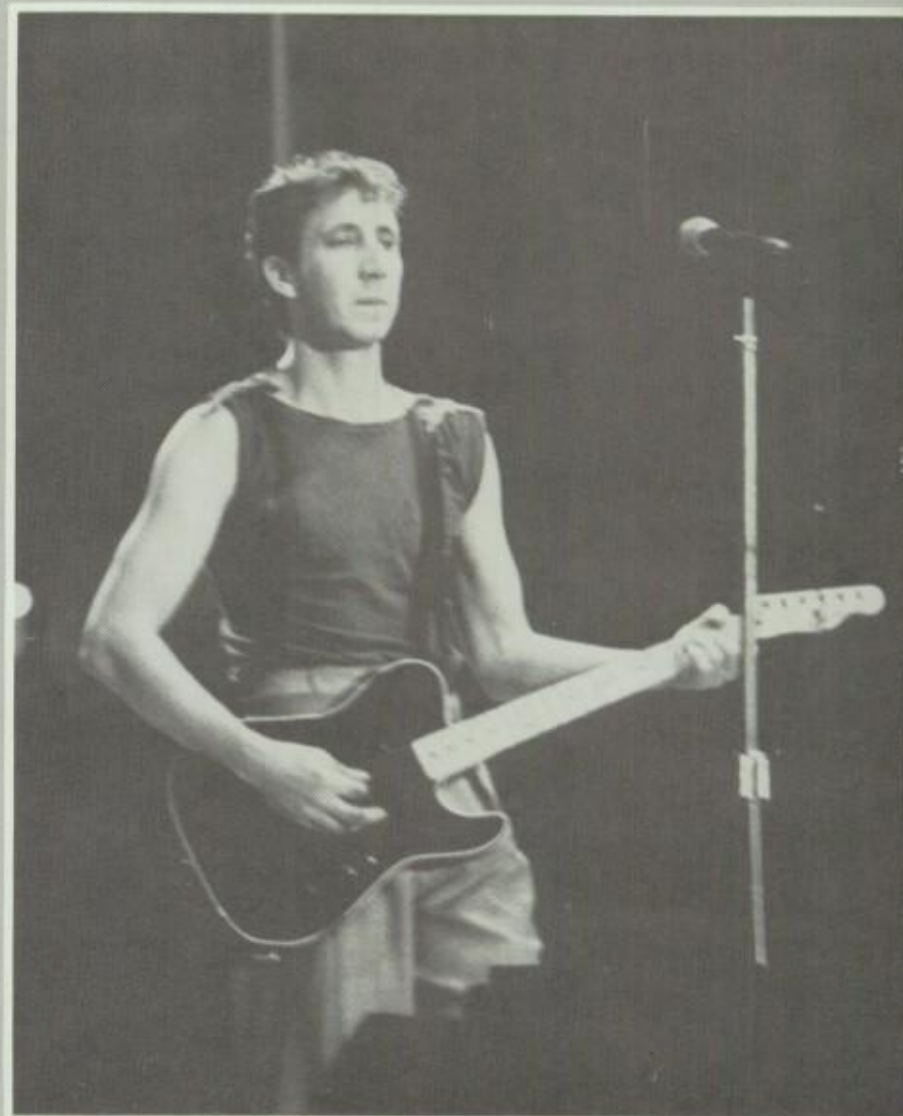

Many Leland students attended the concerts, as The Who enjoy great popularity with high school students. Interestingly, The Who attained rock n' roll stardom before most of the seniors at Leland were born.

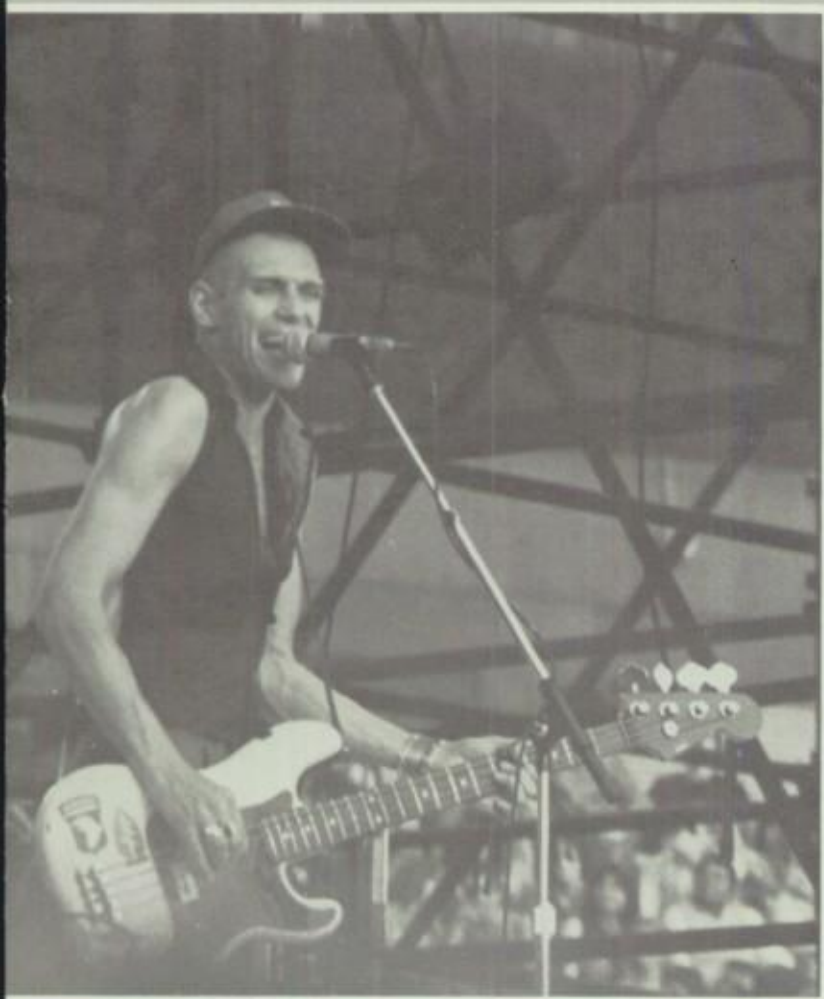

Of a different musical breed, The Clash delivered blistering sets of their best songs to the sellout crowds. T-Bone Burnette gave an admirable performance as the opening band.

The Who spoke to their generation and they have a lot to say to ours. They will not be forgotten.

THE WHO

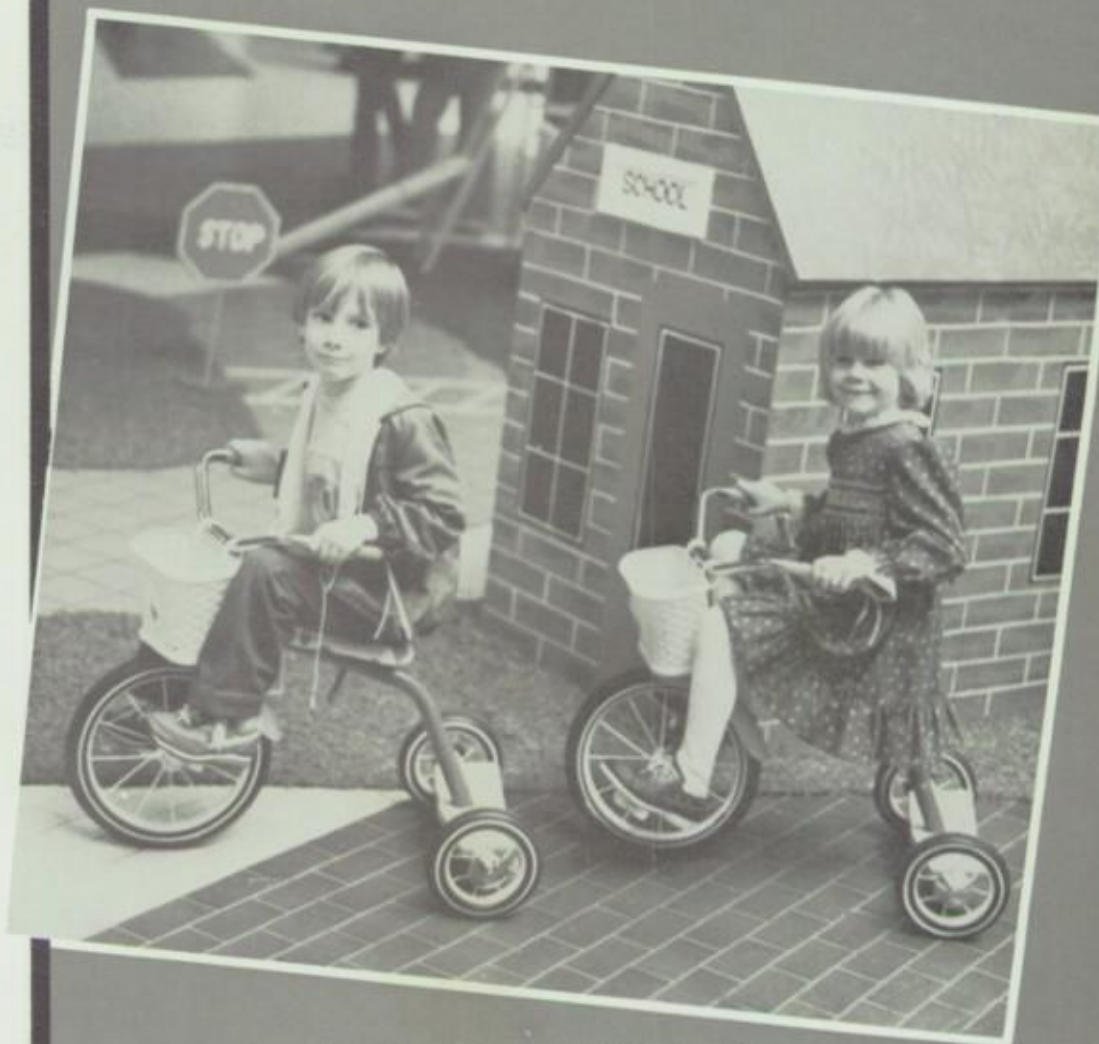

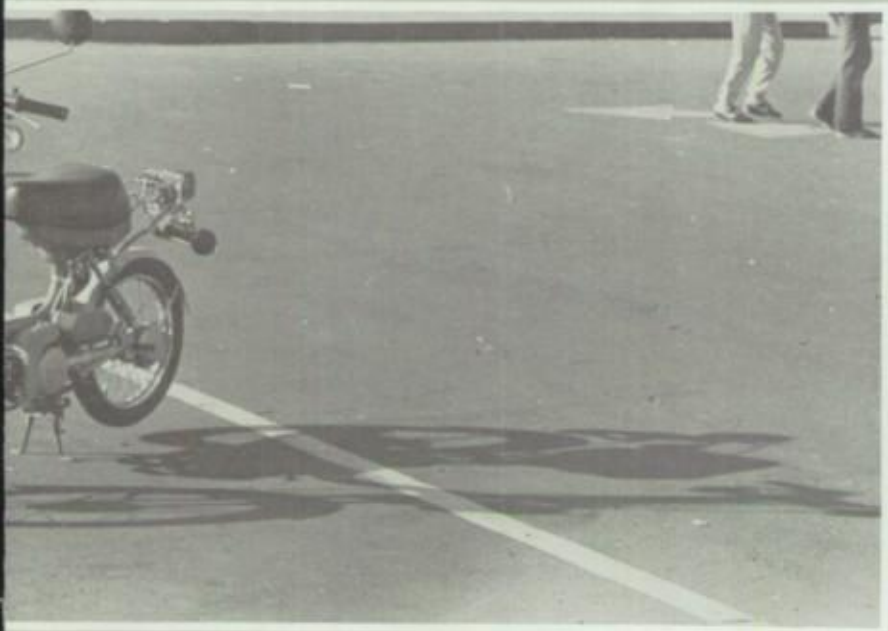

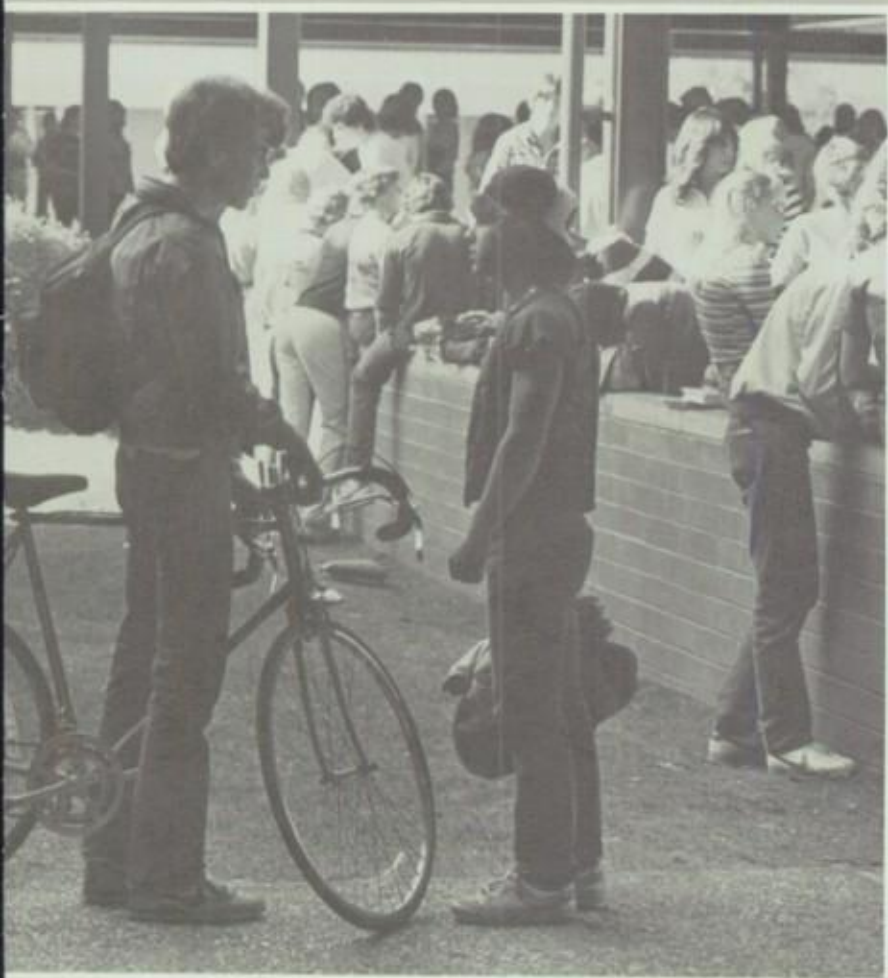

THE CLASH

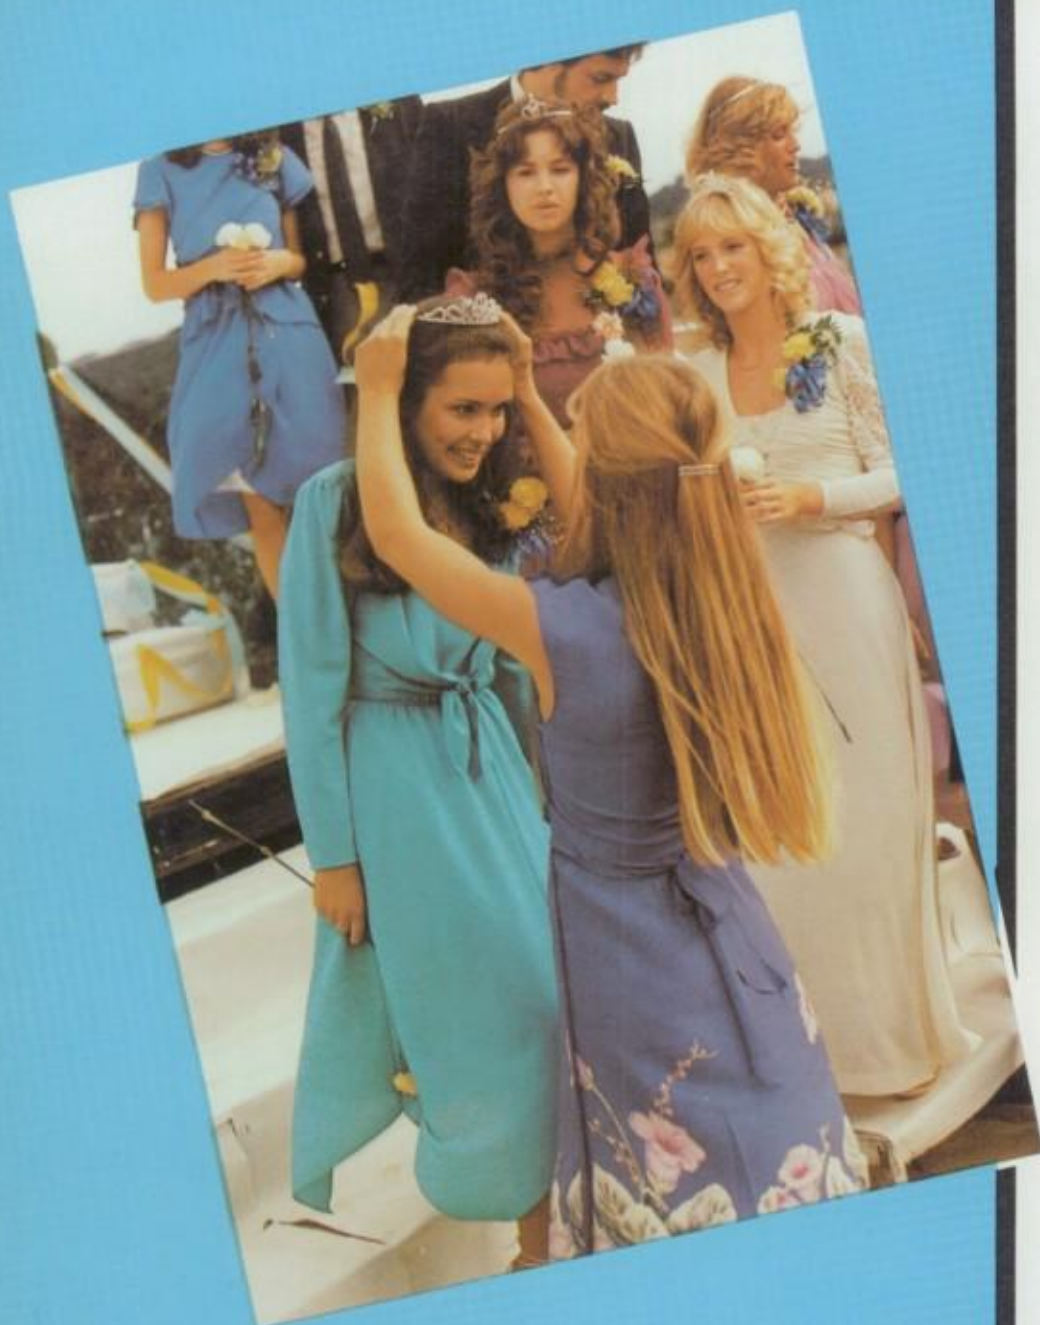

MOVIN' OUT

We crawl, say "mama" - "dada" and take our first steps. We peddle forth on our tricycles, take to the streets on our ten speeds, and await that 16th birthday. A driver's permit, the family car, our own car and the freedom it allows us. The responsibilities and headaches seem awesome.

The traffic tickets; "Hello, Officer Longaker," and remembering to stop at EVERY stop sign. The job to support the gas bills, the car stereo, to say nothing of the insurance.

It is all a cycle. It was the same 15 years ago. There are a few changes, but according to Marge Ann Wimpee from the class of 1968 . . . "and the ultimate was an 8-track stereo in the car. Surf racks were status symbols, and it was the era of the muscle cars - Firebirds, Camaros, Mustangs, Chargers and Cougars. We dreamed of owning VW Beetles, which had just come out with an automatic transmission . . . Our fund raiser, which was to benefit a fellow student who needed kidney dialysis, was a car rally - after all, gas was only 20¢ per gallon, and we thought nothing of going to San Francisco, Santa Cruz or the Fremont Drag Strip for a date."

Our cars may be getting smaller, gas does cost \$1.50 a gallon, and we may think twice before going off in the car; but the car does beat that tricycle for getting to school.

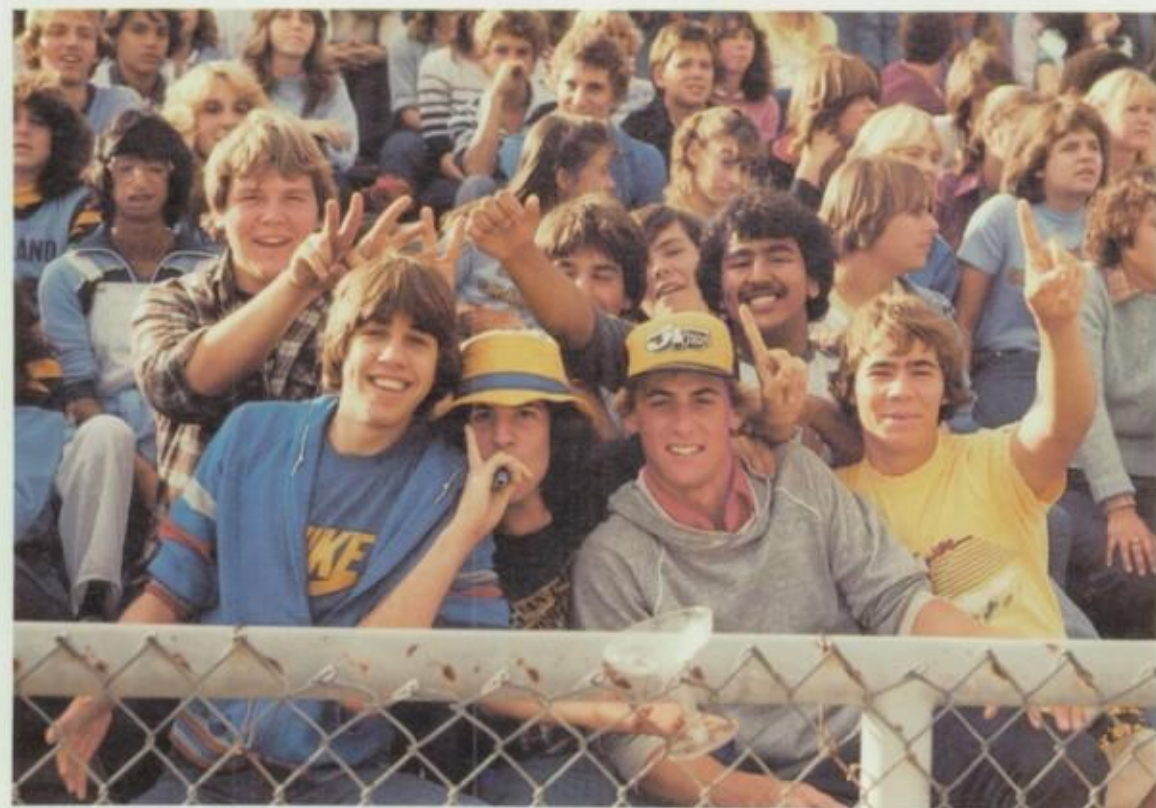

"Somewhere In Time"

Special activities were added this year to make Homecoming a memorable time for students, football players, parents, and alumni. A minimum day was scheduled so that the parade could go around the neighborhood streets before the game. The parade was very colorful and attracted a lot of attention. The Senior Class took First Place in float competition.

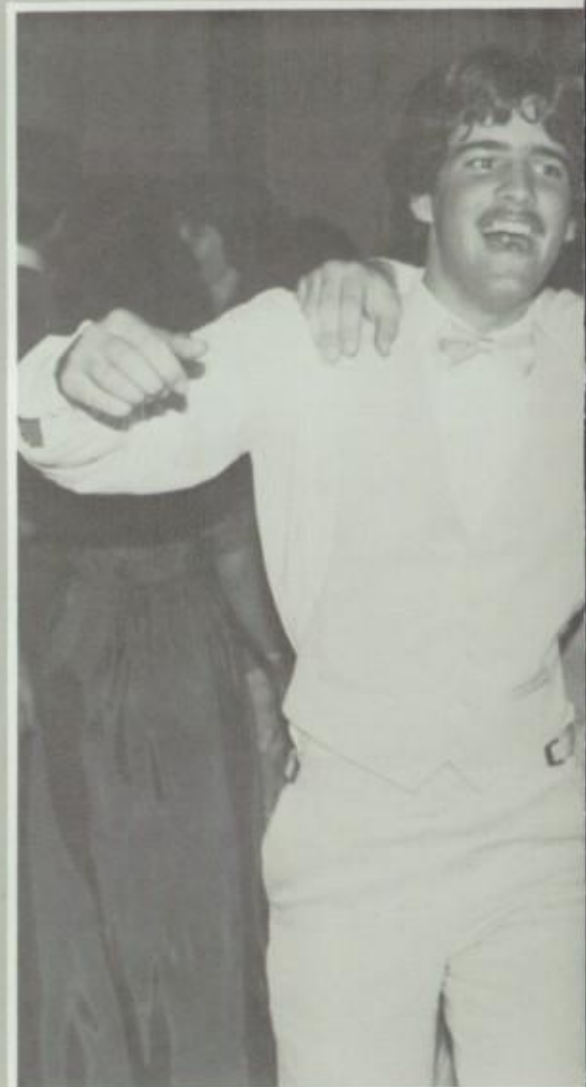

Highlights of the day included the cheerleaders arrival in a limosune, the crowning of the royalty, the band's half-time performance, and the victory over San Jose, 10-0, in front of an enthusiastic and excited crowd.

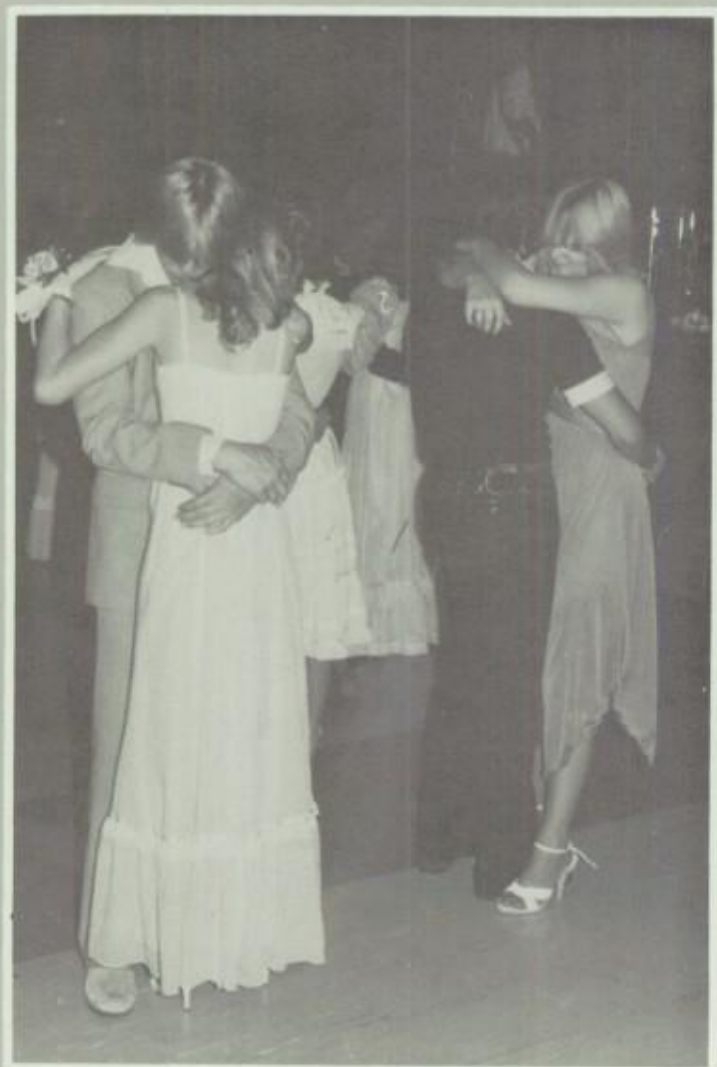

The Homecoming Court consisted of Seniors, Sandy Del Rio, Kelly Galvin, and Laura Orton. The Juniors were Kathy Swan and Stephanie Henry. The Sophomores were Shelly Kelez and Tiffany Mazzone, and the Freshmen princesses were Kris Raboli and Cherie Marquez.

Homecoming Queen SANDY DEL RIO

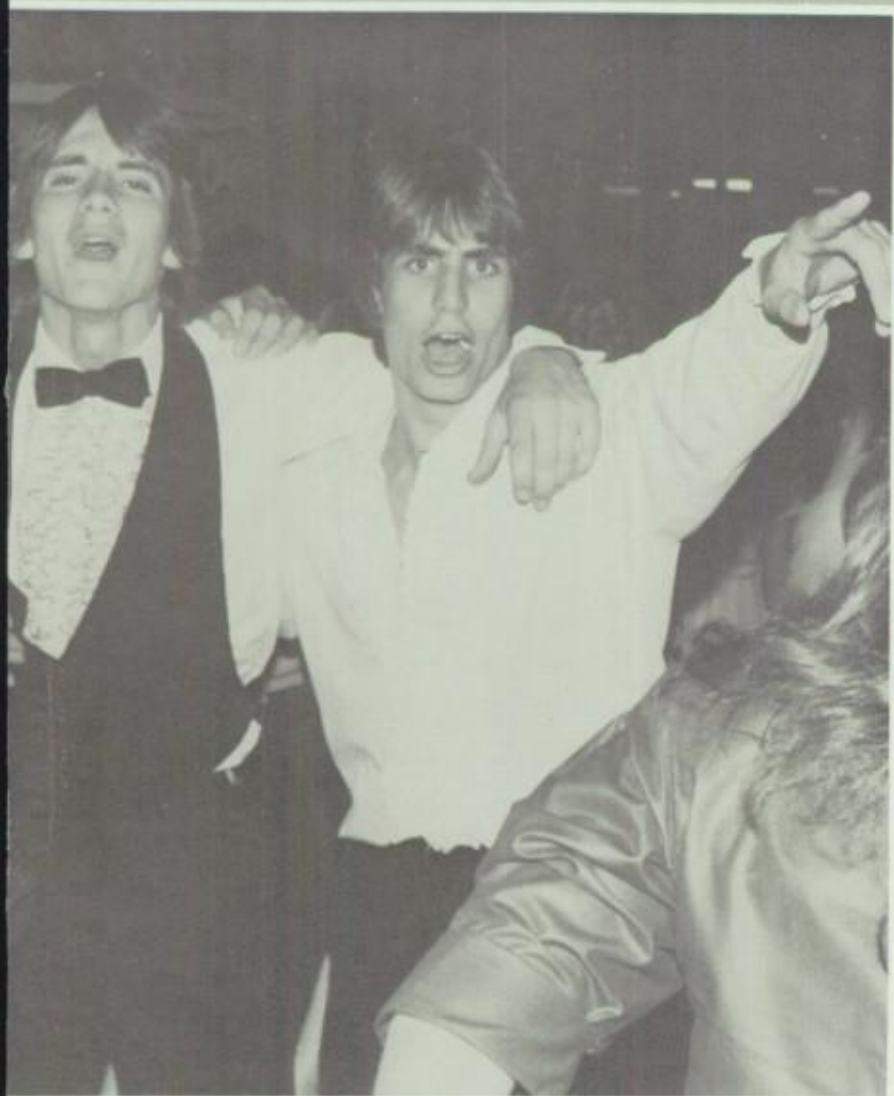

“SOMEWHERE IN TIME”

HOMECOMING DANCE

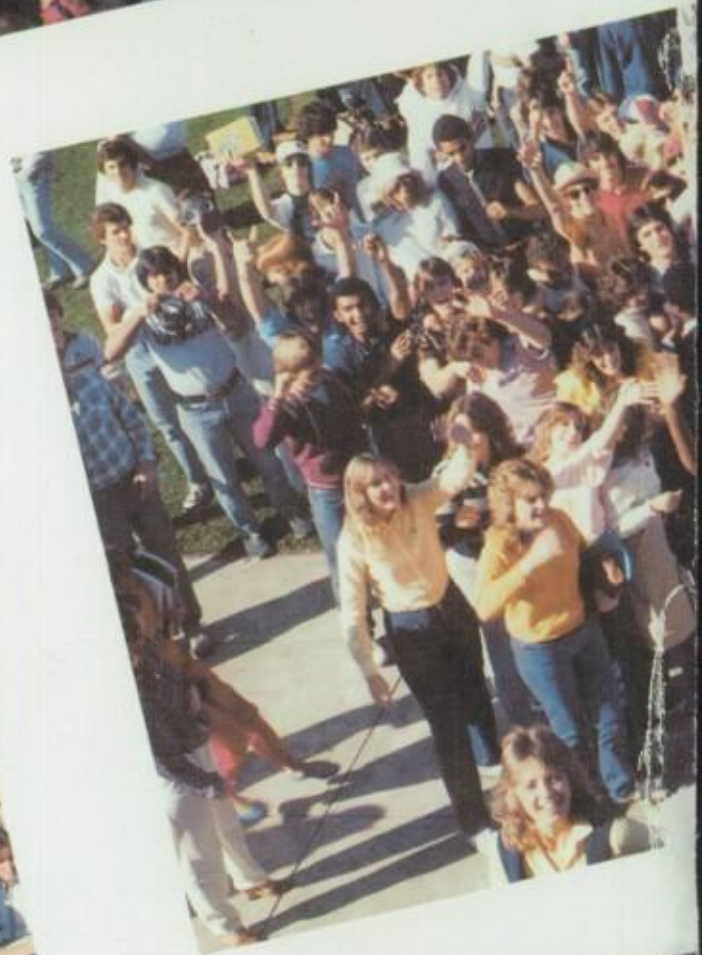

The Homecoming Dance was a special night for everybody. The return of many graduates added to the success. Everyone enjoyed the music that the band “RPM” filled the cafeteria with.

Shown on these pages are various things that went on through the night. CHRIS ANDERSON gives his princess KATHY SWAN a hug after she received her flowers. You can tell that MATT TROWBRIDGE, TODD COURTNEY, and JOHN ANGILERI can have fun even when their dates aren't around. And then there was time for slow dancing with that one special person, hoping the night would last forever.

“SENIOR WEEKENDS”

Craig Rodenberger
“When not working I have gone to football games. Or else I go to the movies girl friends, or to the arcade with the guys.”

Stefani Nelson
“On the weekends I go out with my fiance.”

Audrey Troiani
“It’s all about going out with the gang, getting the Gee-Gees, munching at the Crack, or ending up being bored, and hitting a mean one!”

Bill Langer
“I get rad!!!”

Todd Courtney
“I go out with friends to parties, games, or the movies. On last resort I’ll go out with a girl!”

Cheryl Baldovi
“I don’t do anything but watch television and practice hula.”

MaryBeth Hodson
“I travel with Shari, slip with Audrey, munch out with Linda, go down rivers, and end up in La-La Land. (The weekend’s not complete if I don’t hurt myself!)”

Todd Owens
“I go dancing at Mothers, or go out with other members of the Cross-Country team to pizza.”

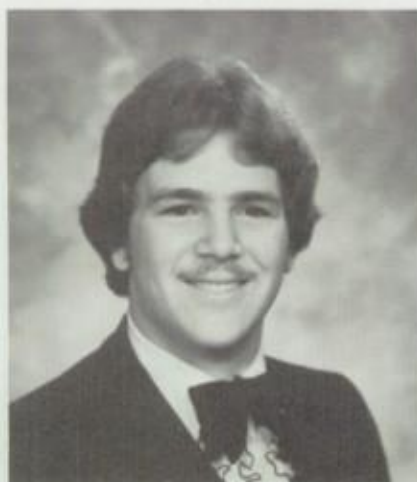

Weekends are made for Seniors because Seniors make them what they are! The guys start off their days with hearty breakfasts so they don't run out of energy on their wild nights. ROPER checks out the scene . . . incognito style. Miss SHAUN MILLER, Miss RAQUEL TIANO, and Miss CHRISTINE ROBERTS pause to pose before painting the town purple! HERE'S TO THE CLASS OF 1983

Since this story must somewhere be begun
 Let's start with the Seniors, Class number one.
 The Seniors are put first you may be assured
 On account of all the school they've endured.
 Early in the year most Seniors partake
 In becoming what some of us would call a flake.
 To give a definition, a flake is one
 Who cares less for school and a lot more for fun.
 More studious Seniors took examinations
 And used their spare time for college applications.
 For they knew at frat parties there's fun to be had
 That's available only to a high school grad.
 As March into April was beginning to ease
 Most Seniors contracted a dreadful disease.
 Not measles or mumps or acute tonsillitis
 But a seasonal malady known as Senioritis.
 This disease of course is one of those ills
 That cannot be cured by tonics or pills.
 But instead by prolonged absence from class
 (Often procured without use of a pass).
 I heard from many a teacher's description
 Several Seniors took out this prescription
 At the beginning of summer, though not all by chance
 They pretended California was Normandy, France.
 To be more specific I tell you that each
 Senior took part in a storm on the beach.
 The Seniors will graduate and it is then
 That most go to college to be Freshman - again.

THE SENIOR TREE 1833-1983

GRADUATION SPEECHES FOR 1983

John DiGirolamo
"Don't be ignorant all your life, listen to the morning announcements!"

Missy Morrill
"I am out and free. Thanks for your efforts."

Craig Jio
"Look around the room, life is unkind. We fall but we keep getting up, over and over ..."

Sandeep Vij
"Everything in excess! To enjoy the flavor of life, take big bites. Moderation is for monks."

Pamm Stearns
"Leland makes it possible to survive on Ag candy, Winchell's coffee, 5 hours of sleep; and keeping the memories of best friends in your heart."

Gregg Consentino
"The grass is always greener on the other side of the fence, until you get over there and find out it's artificial turf."

Chris Nickle
"Thanks to all who have given me courage to be who I am, and hope for who I will be. I love you Mom and Dad."

Trish Hambridge
"I've said it before and I'll say it again ... Pog Mo Home!"

Brett Vancott

Katharine Hedge

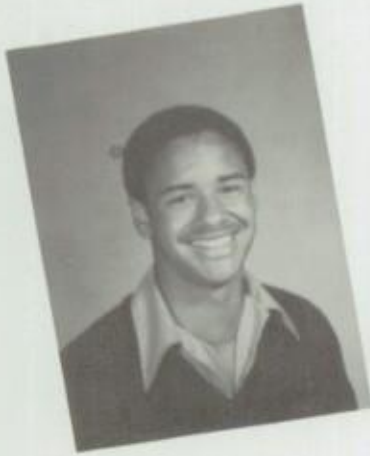

Cindy Ohe

**WE'RE

"... THERE I GO, TURN THE PAGE ..."

RANDY HODGE

Vincent Lewis
"The difference
between man and boys
are the price of their
toys."

Sandy Kim
"Goodbye, Mr. Sullivan.
I'll miss you."

Tom Campbell
"Goodbye Leland ...
Hello and welcome to
the wonderful world of
music."

Chris Hardcastle
"See ya later, Sport!"

Sharon Tu
"I guess it's true-
despite Project A,
periodic tables, and
limit theorems, these
three years have been
golden: filled with
happiness, friendships,
and wisdom."

Mala Bluer
"Thopanks topo mopy

Al Ragonesi
"Graduating means
never having to deal
with another freshman
and being a Senior
means never having to
say you're sorry."

Pat Campbell
"Some are born to
move the world, to live
their fantasies. But most
of us just think about
the things we'd like to
be. Sadder still to
watch it die than never
to have known it."

THE CLASS OF '84

The Junior year is filled with fun
thanks to a gentleman named Sullivan.
American Studies the library filled
and a lot of nights and weekends were killed.
Doing projects and writing lecture pacs
notebook checks and our stuffed backpacks.
Lots of us avoided this acute misery
by taking the alternative - U.S. History.

In the parking lot we took our place
no more walking did we have to face
for this is the year we start to drive
but dad's car had to be home by five.
Alucky few had wheels of their own
making us feel that much more grown.
The car insurance cost money and so does the gas
a job to support this was managed - alas!

We now played on the Varsity Squad
and got to hang out with the seniors in the quad.
During rallies we sat and yelled with pride putting down the
little junior varsity side.
At sporting events regardless of the weather
we always yelled for our teams together.
Rowdy yells for the Charger Blue and Gold
We are not Varsity big, bad, and bold.

We are the Junior class of 1984
patiently waiting at Leland's back door.
Now say goodbye to the class of '83
which has taken its place in history.
You will find us waiting and eager to begin
because you will be the class that is "Movin' In"
Leland High you need not fear
We are "Movin' On" to our SENIOR YEAR!

WE'RE MOVIN' IN

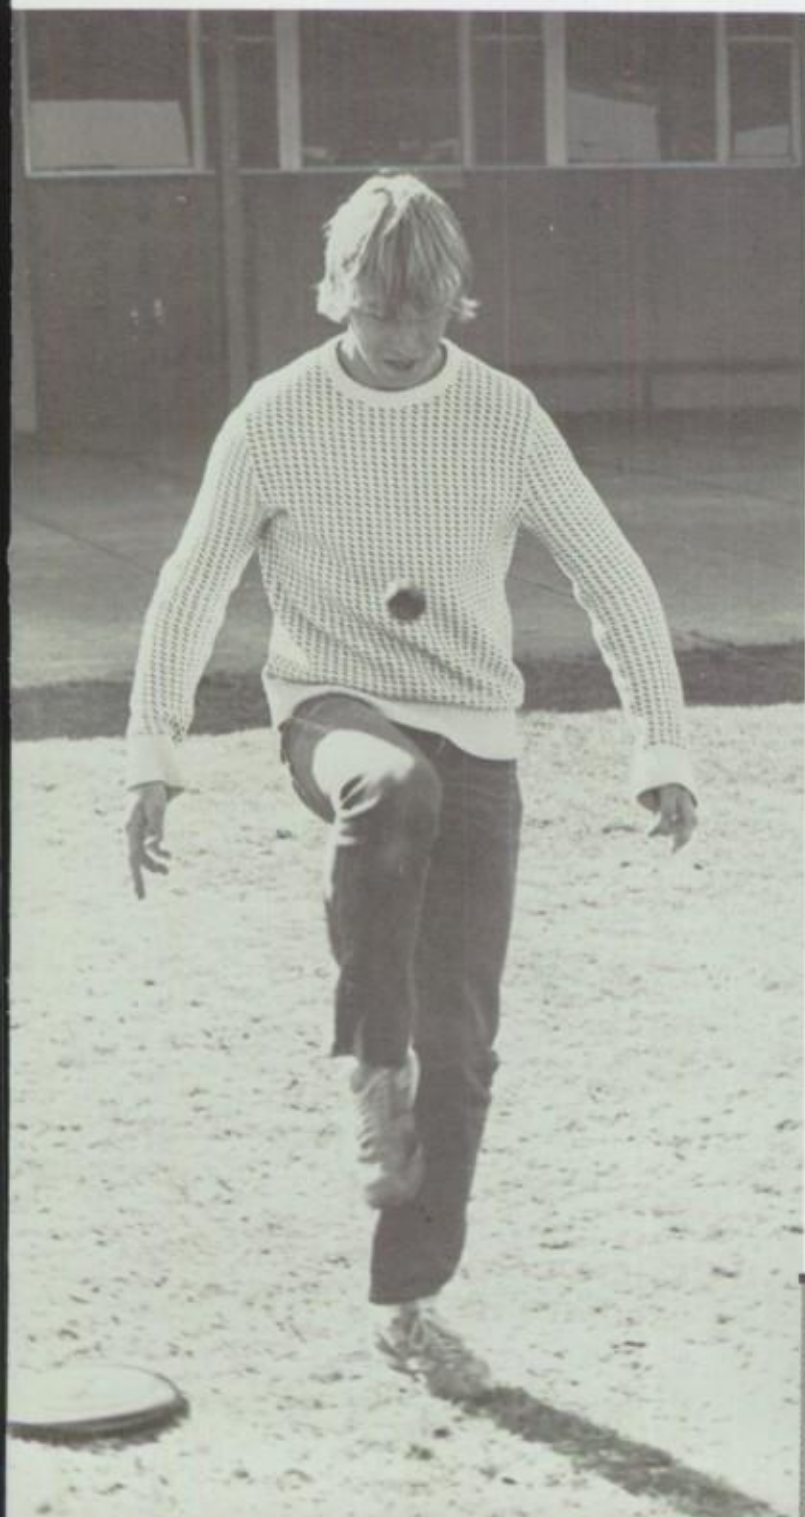

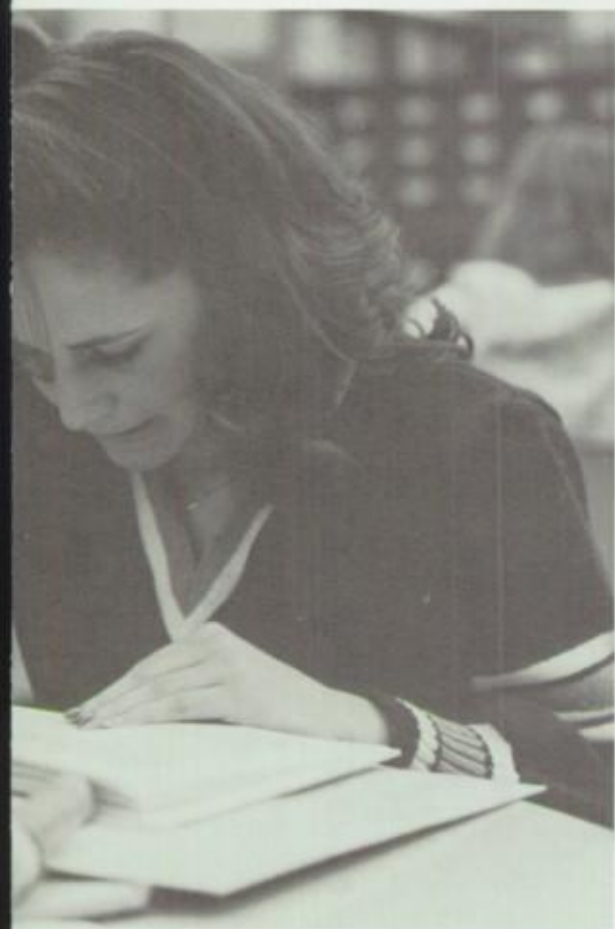

Now that the Class of '83 is movin' on, it's safe to say the CLASS OF '84 is movin' in.

As Juniors we had certain privileges. One was the privilege of making fun of Freshmen and Sophomores. We also got the "Privilege of taking American Studies. We got to sit on the Varsity side during Rallies and play Varsity Sports.

We had to ask ourselves basic questions to get us through the year. Some examples of these questions are "Where to take a date?", "Is the trouble of Lecture Packs worth th 50 points? "Will Miss Thompson change the school colors to pink and white?", "Will Leland ever have Lockers again?", "Does Mr. Sullivan drink wine in a box?", "Has Mr. Mays ever turned a yerbook in by the deadline?", "Will Mr. Mays ever turn in a yearbook by the deadline?".

We've been through a lot this year and had a little fun along the way. We worked hard and we made it. Look out Leland, the Class of '84 is movin'in.

WHAT'S IT LIKE BEING A FRESHMAN AT LELAND HIGH?

Asked of various Freshman in Mrs. Parker's second and third period Freshman English classes.

"Being a freshman is walking in the halls and getting trampled by a million sophomores, juniors and seniors." Wendy Tanabe

"I can't wait until I'm a senior!" Pam Young

"Freshman? Where?" Anne Couper

"Coming to Leland was a new and challenging experience, but as the year progressed it was filled with enjoyment for Leland is a great school." Gregg Smith

"School would be fine if it weren't for my Classes." Monica Sauer

"Everyone has to be a freshman for awhile, even Ozzy Osbourne." Ed Ajlouny

"Life goes on ..." Mary Kunde

"Being a freshman is like being at the rear end of a kicking horse." Mark Schimscheimer

"Being a freshman isn't that bad, if you can impersonate a senior; but if you get caught, watch out for Dean and Dudley." Rich Stone

"Being a freshman is better than being an eighth grader." Elizabeth Jonasson

"Life as a freshman is having alot of decisions pushed on you, and knowing there's a long road ahead." Annette Nardi

"Life as a freshman is being the first, and the last, and trying with the rest of your class to be the best." Michelle Cate

"Life as a freshman at Leland has its ups and downs-hard times and bad times. All and all it is excellent." Michelle Holly

"Freshman at Leland have to learn to accept different teachers and problems. Mostly, they have to learn to do their homework and get good grades." Brian Barr

"My Freshman year at Leland High School is one I will never forget. It was a challenge and I enjoyed it." Cathy Ellis

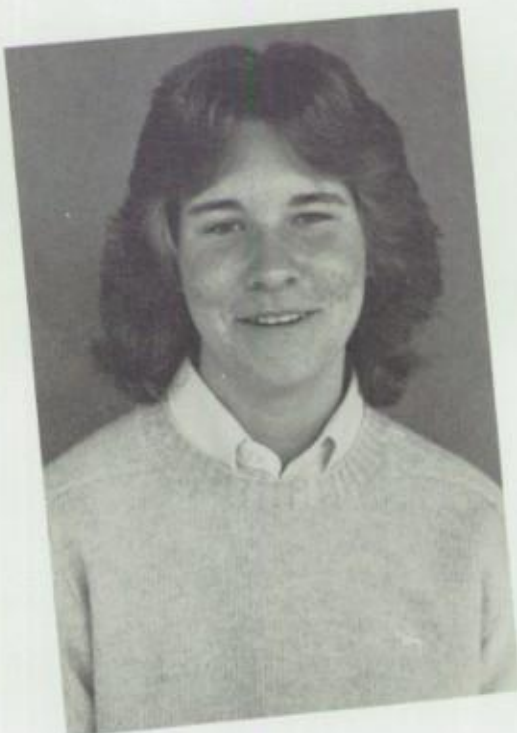

"Being a freshman at Leland is like being the youngest kid in the family. It's a challenge to get to the top." Marianne Miller

"Being a freshman at Leland is not much fun, because you have to get all the work done." Maria Cedoline

"Life as a freshman isn't always a life of cut-downs. I don't mind being a Freshman, because it's not as bad as everyone says." Debbie Gilchrist

"Being a freshman at Leland is not very much fun because of all the homework, but all the new friends you make does make up for it!" Stephanie Hoelscher

LELAND SPIRIT RULES!

SPIRIT!!

Spirit means a lot of different things to many people. Whether it consists of going to games, playing in the Pep Band, or being a cheerleader, enthusiasm is shown everyday at Leland.

Through the year the Spirit Staff has brought color and life to the school's many functions. They have cheered at football and basketball games, and have supported all other sports in many ways.

Rallies were successful due to cooperation from teachers, administration, and students. Surprising and unexpected things happened that made the rallies fun and memorable.

Featured on these pages are the dedicated members of the Spirit Squads and pictures of various things that went on through the year.

ROPER had the chance to lead a chant at one of the rallies because he was the winner of "Hush Day," while COACH BELL and MRS. PIMENTAL show their athletic skills in a relay. Because STACEY and AUDREY are such good girls, SANTA came to visit them. On the next page SHERRY, RENEE, STEPHANIE, and KAREN get a hug from WAGGY THE ELF. The VARSITY crowd proves that they have spirit too!

FADS AND FASHIONS

VALLEY TALK

"I MEAN LIKE TALK
TO ME..."

The following paragraphs involve two typical valley girls talking to their own language, that is ... "Valley Talk."

Jill- "Candy, did you see what she's wearing? I'm so sure ... I mean OH MY GOD, some nerve she has. I'm totally sure!"

Candy- "BARF ME OUT! I'd never. Like gag me with a spoon. I can't believe he's seen with her. He's so, like wow, like totally copasetic."

Jill- "I hear that! What a total fox. But her, OH MY GOD ... I'm so sure. He's so awesome, and she is totally gross."

Candy- "Some guys have NO taste. If he did, he'd definately dig us! We're in there and totally live ... She, on the other hand ... like I said, Gag me twice!!!"

4X4

- a V8 engine is a gas crunch?
- a rollbar on the Almaden Expressway?
- Where's the ladder?
- What dazzling clean chrome
- The fact is ... it hasn't gone up a hill any steeper than a driveway.

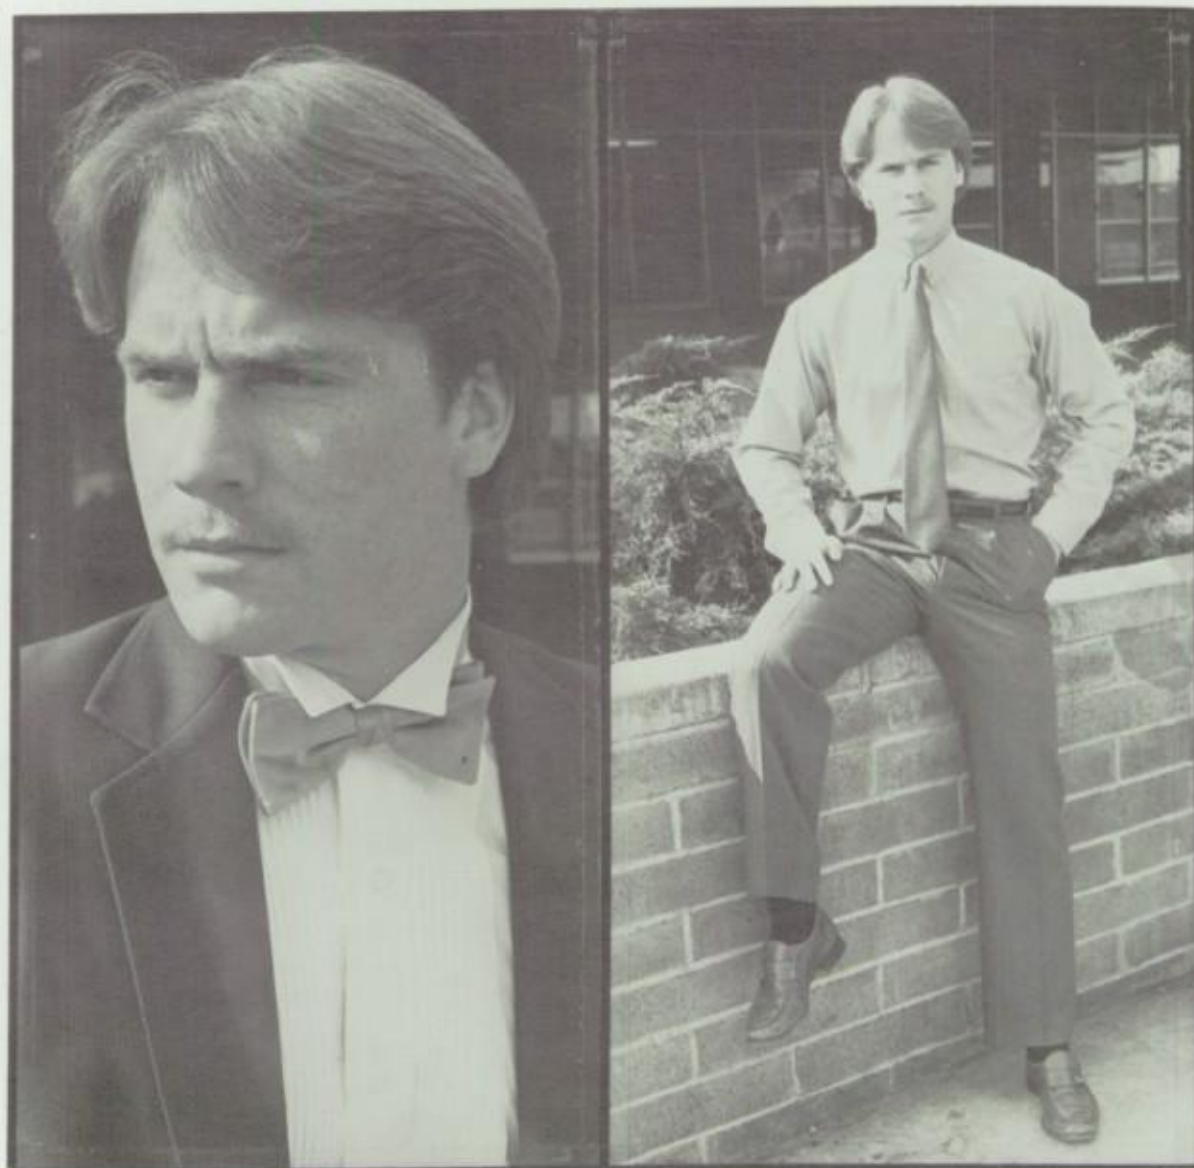

Honestly, Mark Stein, we are not "Ripping on your truck." It just happens to be the best looking, brightest and blackest in the parking lot. Drive Carefully!

NEW WAVE

You have seen her in pink polka dots, black stripes and purple hats. Sophomore TAMI BRISCO buys her clothes at Contempo, and she dresses with flair.

GQ

Senior ANDY LORENZ wears wing collars and starched shirts and ties. He made the finals for the "Best Dressed" senior, and is now pursuing a career in modeling. Looking sharp!

FADS AND FASHIONS

SKOAL BROTHERS

Doug Heisch, Rich Brooks, Rich Vargas, Jon Woods and Bill Langer show us their Skoal cans. The infamous, tell-tale sign of a faded circle in the back pocket was back again this year.

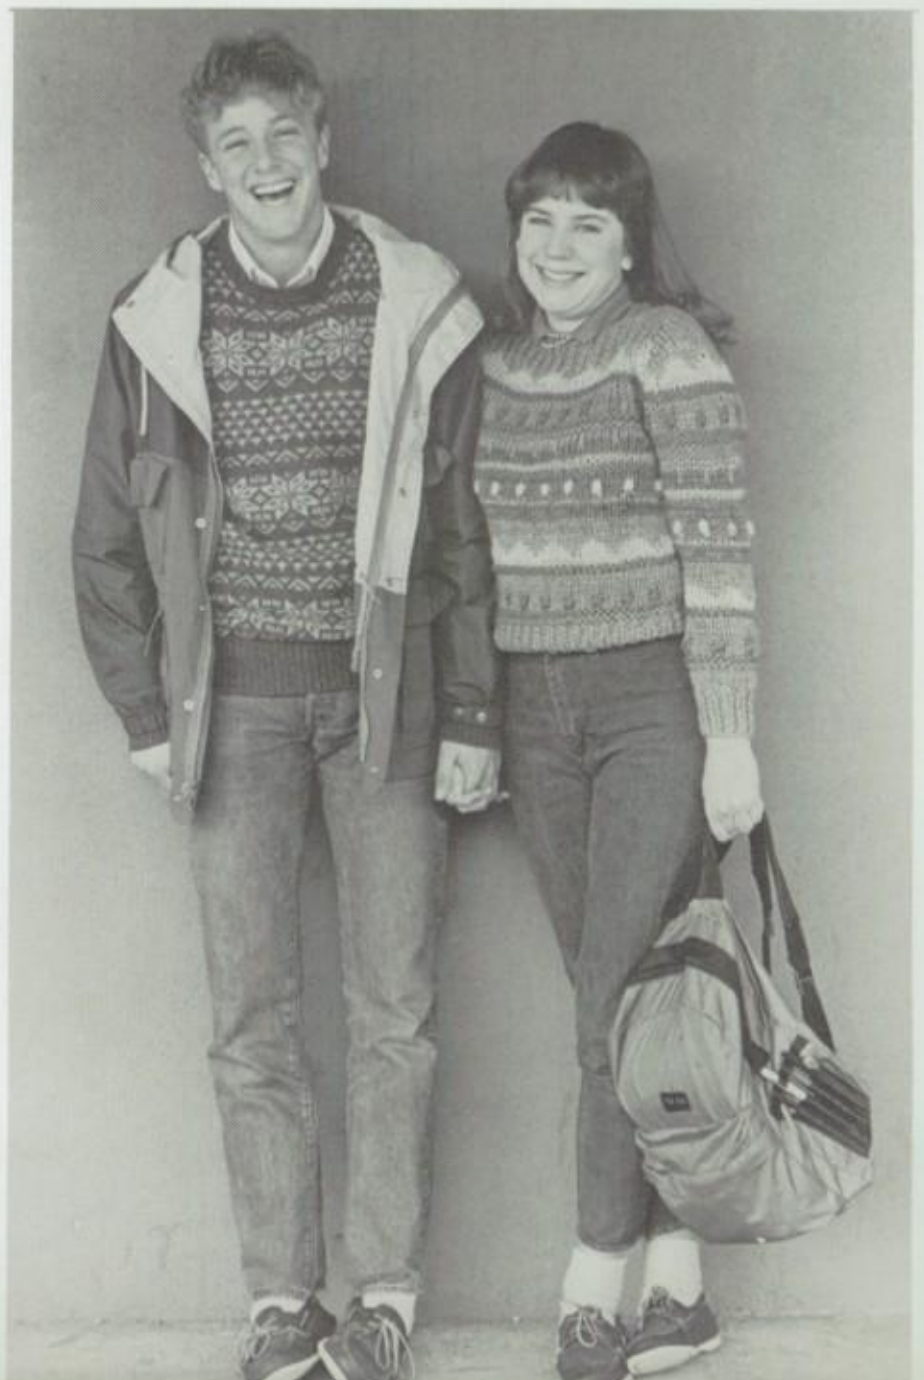

PREPPIES

PAST AND PRESENT

Do styles really change? The fad cycle seems to have gone full circle. The newest fashions are ancient history to our parents. What we think is new and stylish has already been a trend in the past.

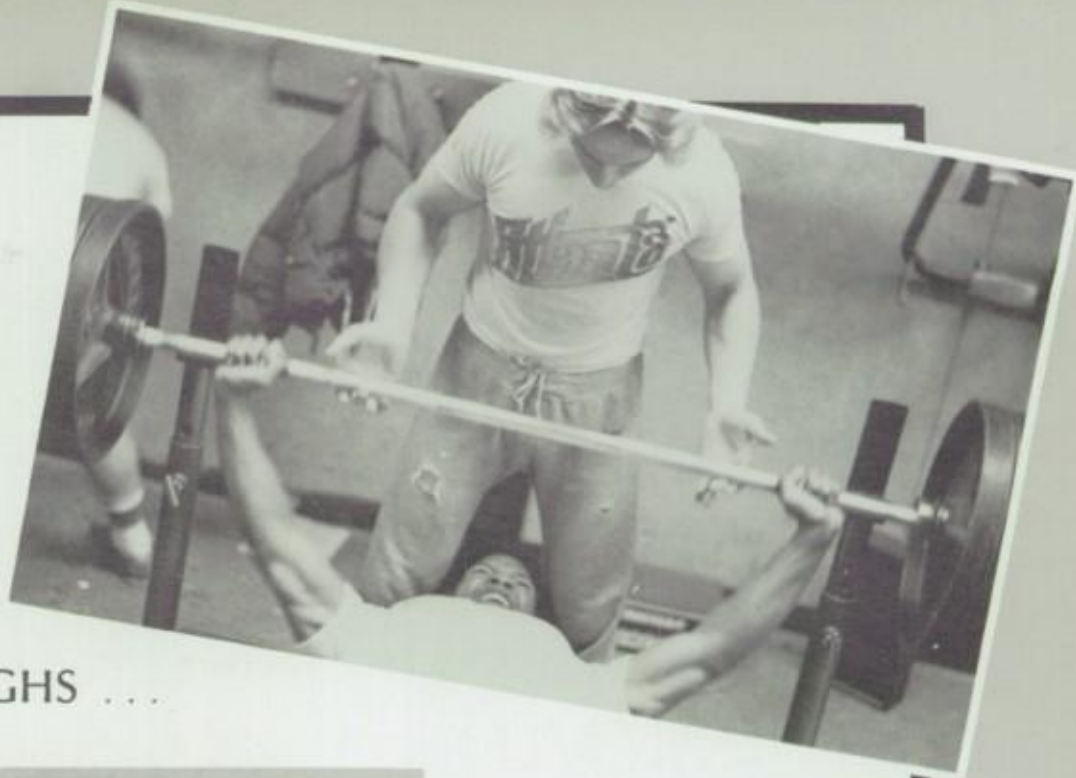

Marge Ann Wimpee from the class of 1968 on looking back at the fashions of her class 15 years ago wrote ... "Contrary to what Barbie thinks, it was not so long ago that we wore poodle skirts. But we did wear skirts every day, since girls couldn't wear pants to school just as boys could not wear mustaches or beards. Our skirts were above our knees, with knee socks, Bass Weejuns, tennies or saddle shoes (which had made a comeback). Boys didn't wear T-shirts alone; they wore Pendletons, old army jackets, cords, and desert boots. We all wore pea coats."

GREG MILLER and ANN EEGAN illustrate present as well as past fashions. The button-down collar, top siders, and the pull over sweater look is once again a popular trend.

MAKING THE BODY BETTER

Senior Women Carol Silvera, Mala Bluer, Kelly Galvin, Sue Rea, Staci Santaro and Ann Dunn are devoted Jazzercise buffs. Twice a week they can be seen doing a dance routine to "Mickey, Mickey You're so Fine . . ." It seems that keeping the bod in shape is very important to a lot of Leland students, and a little exercise doesn't seem to hurt. It only hurts for a little while.

JAZZERCIZE IS GOOD FOR THE THIGHS . . .

PUMPING

IRON

The Senior men spend many hours in the Leland weight room getting pumped-up. Seniors Steve Zamora and Greg (Studly) Dudly are shown above working on their bench presses.

HANG LOOSE

The surf is always up for some Seniors! Shannon Vacca, Brad Carter, Anna Vacca and Doug Donnell sport the latest in beach wear and boards. While the Surf Craze crashed on the cliffs of Santa Cruz in the sixties, there are still many Lelanders out there still looking for the perfect wave.

ROCK 'N ROLL

Many great bands have played at Leland this year. During lunch in the Cafe, concerts in the gym or on the stage for a Junior Prom; they have supplied Rock 'n Roll for us. Some bands were Leland and former Leland students - Hot Ice and Palace!!!

"F.F.A. Ski Trippers"

The F.F.A. ski trip was held the weekend of February 4, 5, and 6. What a long trip it was: after two days of bad weather, the group started home. Two avalanches prevented the bus from going through, and the group had to find overnight shelter in a motel. The next morning with hopes high they began their journey again. All went well until the bus ran out of gas and got a flat tire on 680 near Fremont. The bus driver went for diesel which got us to San Jose. The annoyed and tired group dragged into Leland - happy to be home.

KLEL 89 FM

"100 WATTS AND READY
TO ROLL"

Radio station KLEL provides a rare opportunity for young adults to work with and learn the ideas and concepts of a real radio station.

If used to their potential, these new skills can seriously benefit one who plans to continue on in the field of communications, not only in radio, but television and journalism alike.

For the few who are lucky enough to make it on the air, it gives them an opportunity to blast their own personality and the rock and roll sounds of POWERROCK 89 to thousands of potential listeners around the south bay.

As a staff member who has been with KLEL for my full three years here at Leland, I can understand and appreciate the experience gained by my participation in the radio station. I would like to say that if used wisely, KLEL can be a very fun and exciting learning experience.

-Matt Trowbridge

Charger Account staff members spend the whole school year writing about other Leland students, while no one ever writes about them. Thus I will write about these invisible people, describing a typical day in Journalism.

The tardy bell rings and the freshman staff members run for their desks, while the upperclassmen slowly amble in. Mrs. Jane Owczarzak, who has the thankless task as serving as Advisor, asks for the classes attention as Senior Kate VanEeghen takes role. As Mrs. "O" begins talking to the class, Senior Chris Anderson walks in singing, "I love you Mrs. 'O'." After the laughter simmers down Mrs. "O" questions the students about the stories they will turn in. She begins with Senior Roger Crockett, who is by far the best dressed staff member, followed by Senior Jim Zenere.

After the events are discussed, the class scatters throughout the room, while Mrs. "O" repeats a famous line from **Hill Street Blues**, "Let's be careful out there." Business managers Karyn Eckhardt and Tamar Lezak run for the telephones and begin to beg for advertisements. The Editor in Chief Sharon Tu, who makes a nice living selling candy bars writes headlines and discusses pick up days with Mrs. "O". She then successfully wastes 50 minutes not doing much, saving her energy for an intensive two days before the paper comes out. Senior Mike Miller, who is known Worldwide for his bizzare movie reviews, plays a make-believe policeman game with Zenere, which closely resembles **T.J. Hooker**. Seniors Brian Fedrow and Bob Griffin begin work on the sports page, searching desperately for adequate photographs. Freshman Dave Domash and Jeff Lendahl discuss romper room episodes, while Junior Adam Novicki plans his next attack on the Valley Vacationers.

The final bell rings and the freshman run out of class as the upperclassmen stride gracefully towards the lunch line. Thus a normal day in Journalism has taken place in the **Charger Account** studio. By Star Reporter Jim Slone

LELAND'S FOREIGN EXCHANGE STUDENTS FOR 1982 - 1983

Mette Soerenson

"I like Leland. I think the school has lots of opportunities and enthusiastic classes and sports, and I hope that will continue. I think we have some good sports teams, and I have had lots of fun here. California is 'Totally Tubular'. I am very impressed by California, and especially by the people. I have met a lot of different kinds of people, who all have been very nice to me. Asked me a lot of questions that I have tried to answer, and they have been helping me if there was something that I didn't know. I have had a great year, and it isn't the last time I am visiting California. Next time I'll bring an umbrella or rain boots.

When I get home I am going to another school (College/University). That takes three years, and then I actually don't know what is going to happen. I am not sure about what kind of job I would like to have. We'll see."

Henrik Heine

"I especially like the school spirit that you have-the way students participate in school activities and sports. I also like the cheerleaders, probably because in Germany we have none. I don't like the way the periods and classes are spread out over the school day. I would rather have more but shorter breaks than only one long one. Still I like the fact that students can choose what classes they want. In Germany we can do that only with a few classes and only after the 9th grade.

I think that people here are a little bit unconcerned about politics (especially teenagers). Generally I like the U.S. a lot. The way people communicate is better than in Germany. When I go back to West Germany I am first going to finish school. I have to spend one year in the Army, and then I will think about coming back to the U.S. to study computers."

C.S.F.

This was a very successful year for C.S.F. with the leadership of Rich Goldstein as President, the organization had the largest can food drive in the history of Leland High. The canned food for the needy had a little help from Senior Santa Claus, his elves, reindeer and the Leland Faculty. The C.S.F. also raised over \$2,000.00 for the American Heart Association in a "Jump Rope for Heart" at Marriotts. The California Scholarship Federation also aided their peers in tutoring and scholastic achievement. Their stacked books and backpacks are testimony to their own academic achievements.

LELAND SPORTS

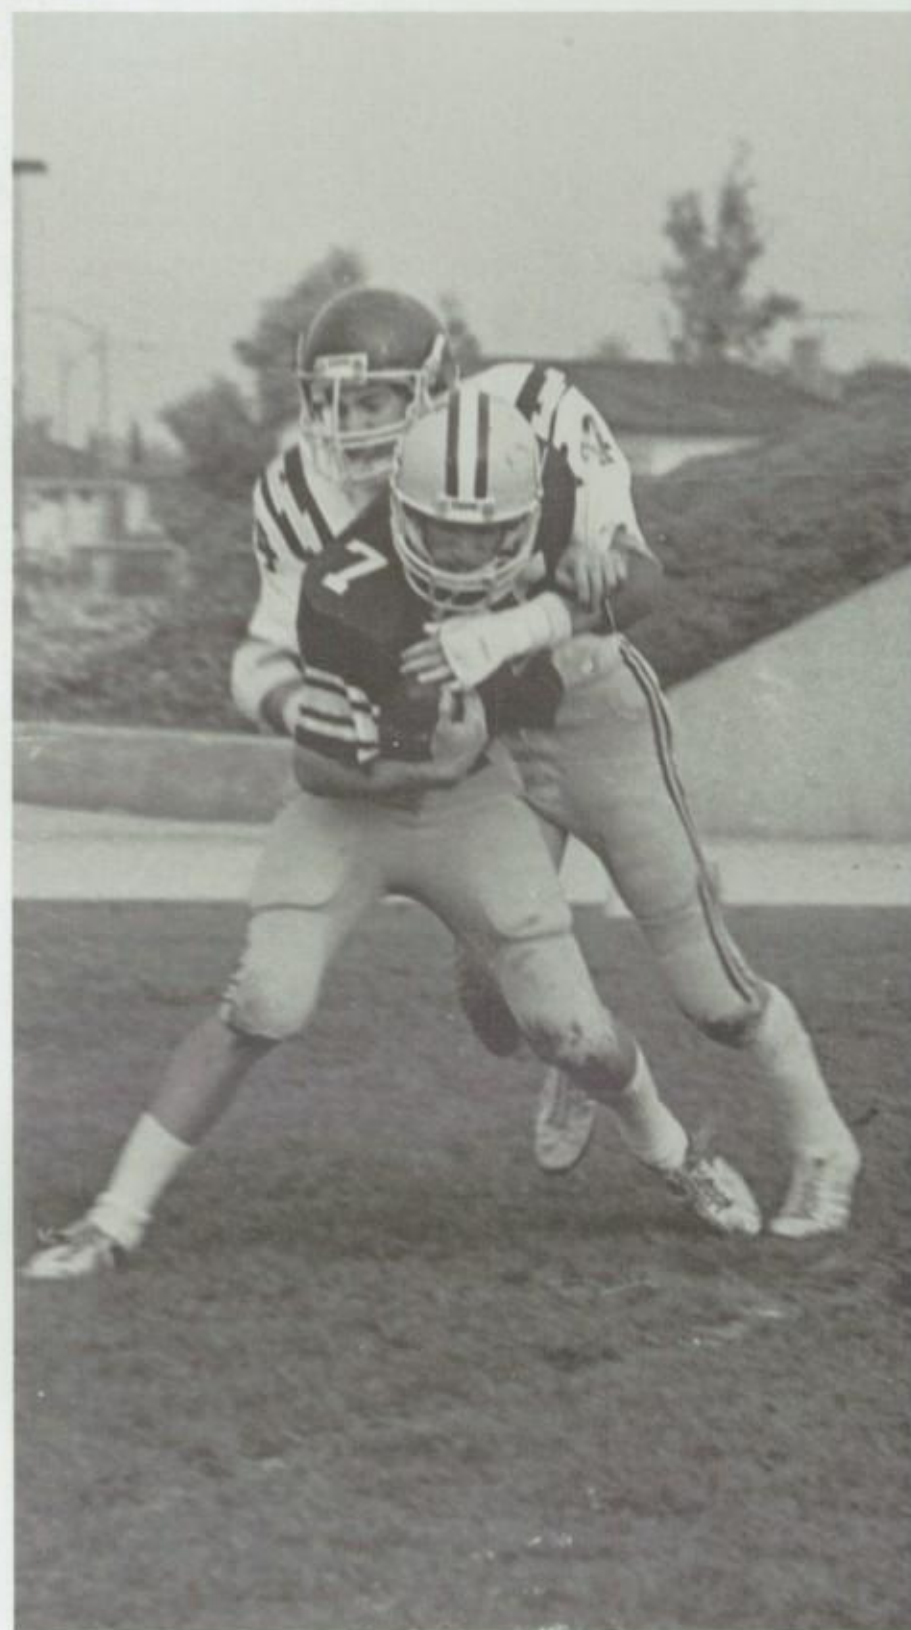

“TEAMIN’ UP”

VARSITY FOOTBALL CO-STAL CHAMPIONS FOR 1982

The Varsity Football Team started a slow season, gained momentum and ended up sharing the league title with Willow Glen and Gunderson.

"If character is the mark of a great team, then the Chargers were great. It would have been easy to give up in the easy part of the season but the players refused to be written off. The players knew they were a good team and sooner or later the season would turn around. It is their refusal to give in, the indomitable spirit of the 1982 Chargers that should be remembered the most. The players are a credit to their school, their families, and themselves. Adversity gives one the opportunity to rise up and overcome it. The 1982 Chargers had the personal pride to conquer adversity." Coach Steve Cox.

FLIP A COIN

A coin flipped by Coach Steve Cox proved to be the toughest opponent for the Leland football team, as it knocked them out of the C.C.S. playoff.

Leland, Willow Glen and Gunderson were all 4-1 in league, and thus a coin flip determined which two of the three league champions would go to C.C.S. Gunderson won the first flip, Willow Glen took the next flip, and Coach Cox and the Chargers were left waiting for next year.

However, Leland was not left out of All-League selections. First team honors: Junior Craig Jones, Senior Tom McFarland, Senior Mike Geiss, Senior Jeff Brown, Senior Greg Rajala. Mark Dean was co-league Most Valuable Player and made the C.C.S. second team. Second team honors went to Roger Crockett, Sean Onderick, Dan Mason, Bryan Kellen, Fred Rathstone, and Jim Gillis. Honorable Mention went to Mike McGarvy, Jim Zeneri, Bryan Bolden, Doug Britt, Jim Cuerton, and Greg Dudley.

SOPHS GAIN LEAGUE TITLE

The Leland Chargers Sophomore football team conquered the S.T.A.L. Crown once again with a undefeated league record.

The Chargers wrapped up the title, defeating the Pioneer Mustangs 20-7, and ousting the Gunderson Grizzlies 20-12. The Chargers were led to the title by Head Coach Eddie Gillis and Assistant Coaches Scott Drier, Chris Putney, and Keith Bush. The Chargers were a sound team all around seen by how many of their players gained all-league honors. The Chargers offensively gained first team all-league honors from sophomore quarterback Scotty Gillis, wide-receiver Matt MacDonald, tight end Scott Sumwalt, and defensive tackle Todd Baxter. Defensively the Chargers gained first-team honors from down lineman Carlos Silva, defensive back Mike Hartung and middle linebacker Matt McDonald. The Chargers had two players that gained even brighter honors, quarterback Scotty Gillis was M.V.P. of the S.T.A.L. league and defensive lineman Carlos Silva was M.V.P. lineman of the S.T.A.L. league. Congratulations to the Leland Chargers for their fine performance in capturing the league title once again. By Chris Anderson

WATER POLO

The Leland Water Polo Team had only three returning seniors this year. The lack of experience proved to be costly, but it should be considered as a building season.

The three seniors received All League honors:

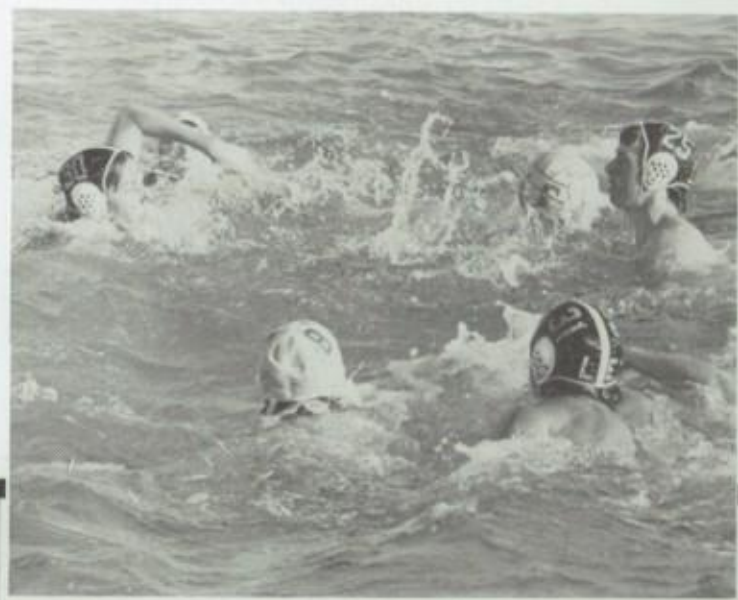

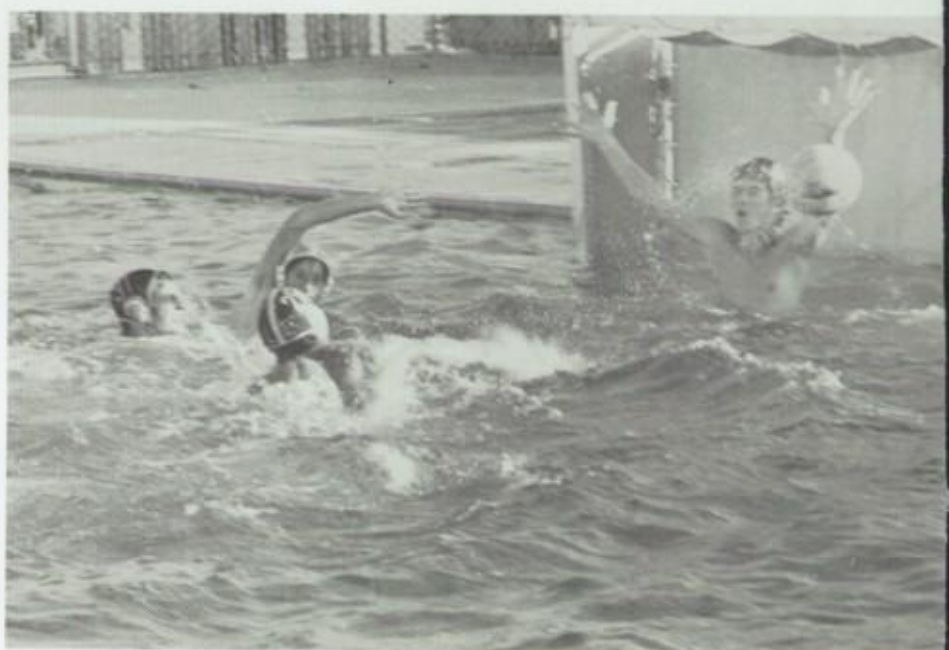

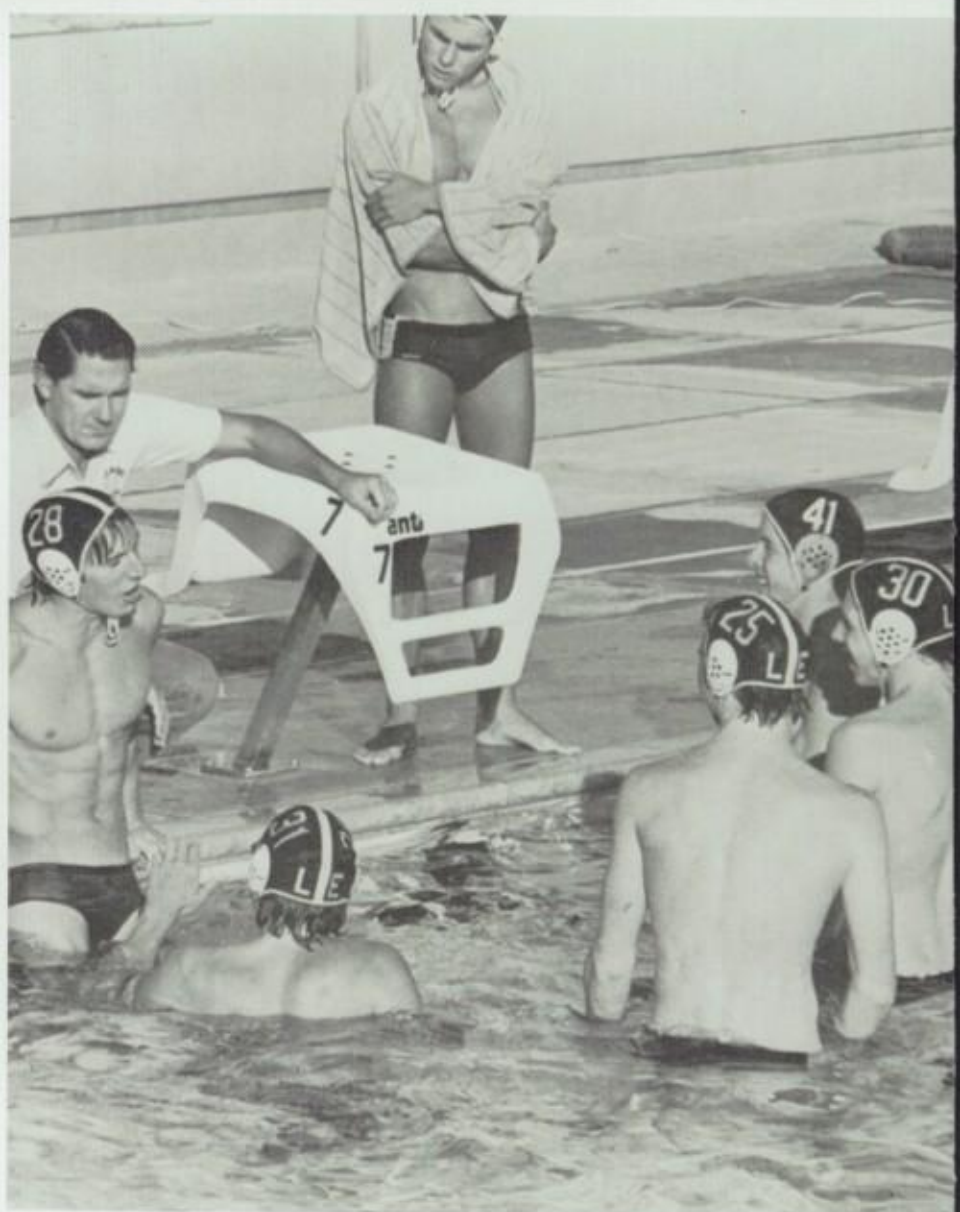

Robert Crawford - leading scorer on team and 1st team All League

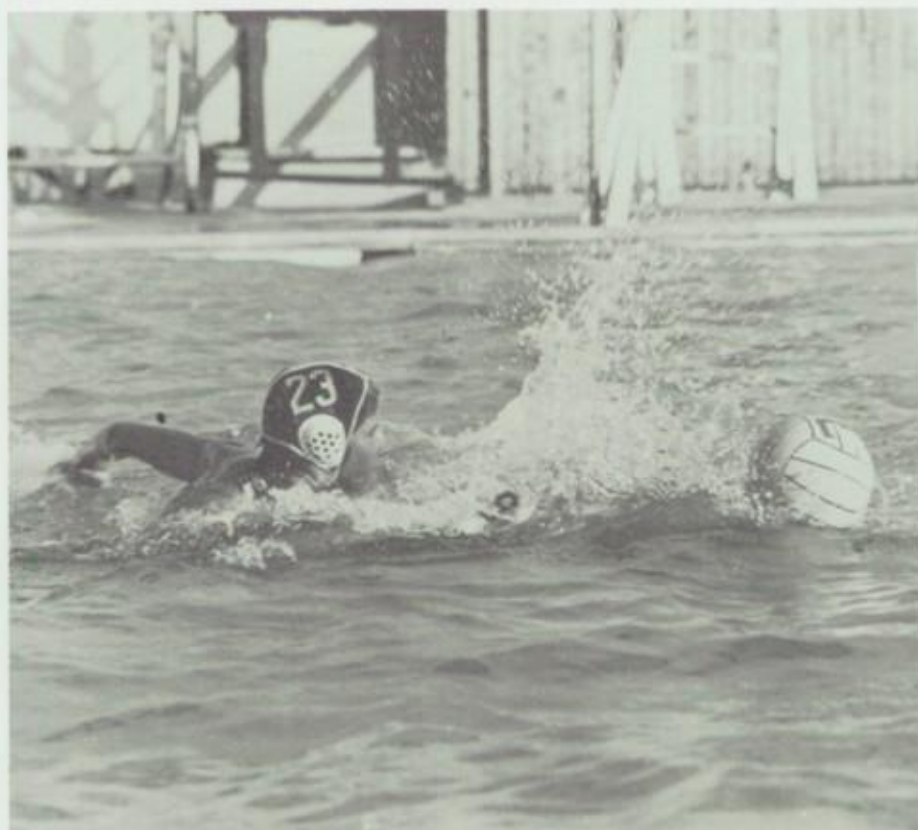

Bryan Yednick - 2nd team All League

Jim Sheehan - 2nd team All League

Also making 2nd team All League was sophomore Bryan Wilson.

The Varsity took 4th place in STAL action. The Frosh/Soph team did an exceptional job in winning all but one game this season. They took third in the Northern California Water Polo Tournament.

LELAND WATER POLO ROSTER

Robert Crawford, Bill Kesselring, John Clements, Jim Sheehan, Bryan Wilson, Rohan Taylor, Larry Farago, John Bundhund, Dave Foreman, Greg Smith, Kurt Fuchs, Brad Karren, Eric Fuchs, , Bryan Yedinak, Mark Machado, and the team is coached by Doug Wright.

GIRL'S TENNIS TAKES LEAGUE

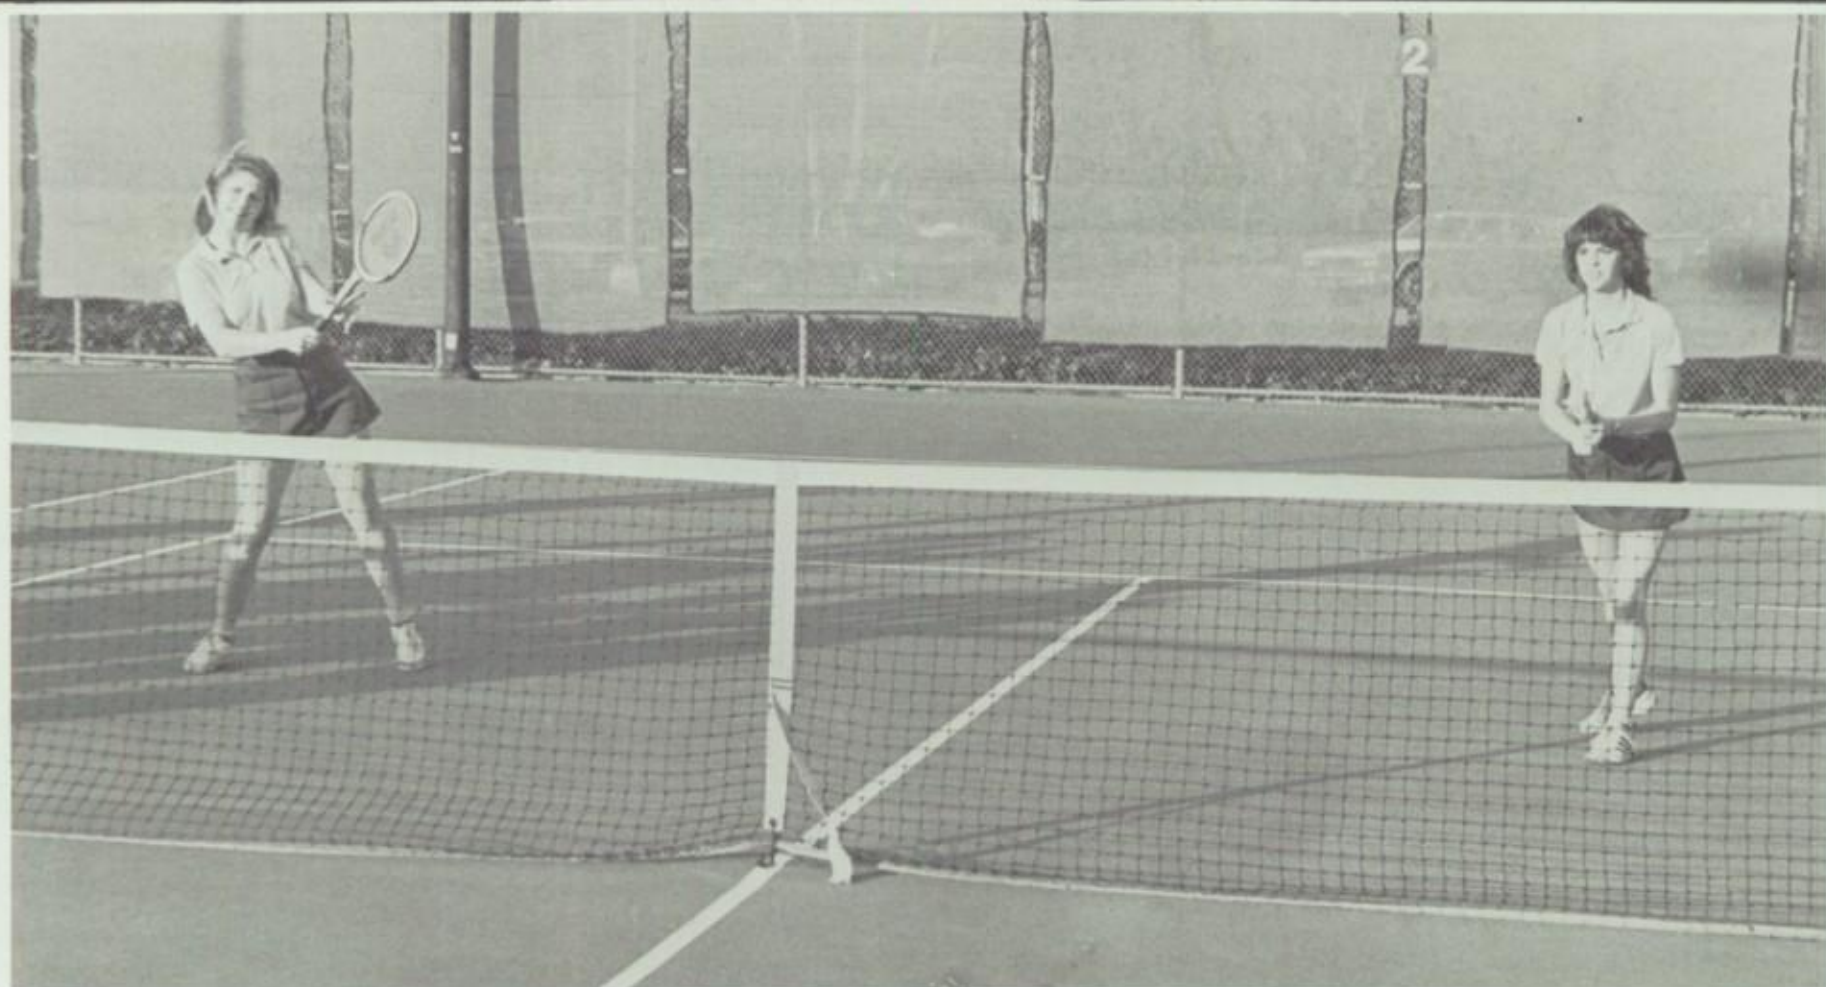

Once again the totally awesome Girl's Charger Tennis Team took the League Championship. This gave them a berth in the CCS playoffs. They fought hard to a 2nd place CCS finish. In the CCS finals Metta Frank took 4th in singles, and Debbie Kuerner and Wendy Elliot snagged a 4th place in doubles competition.

The Tennis Team - Paula Headly, Karen Lorentson, Erika Walther, Jamie Nickel, Cathy Ellis, Debbie Kuerner, Kristi Samples, Susan Hutchinson and Coach Harris. Middle row - Chris Nickle, Leslie Bartleson, Sandy Simons, Julie Long, Nancy Bump, Leigh Pesquiera, Renee Seto, Nancy Yamagami. Seated - Wendy Elliot, Metta Frank, Susan Carney, Anita Colona, Regina Chiou, Kristen Coles, Michelle Hobbs, and not pictured Jeanne Lim.

X-COUNTRY '83

This years Varsity boy's and girl's cross country teams advanced to C.C.S. after strong finishes at Regionals and in league competition.

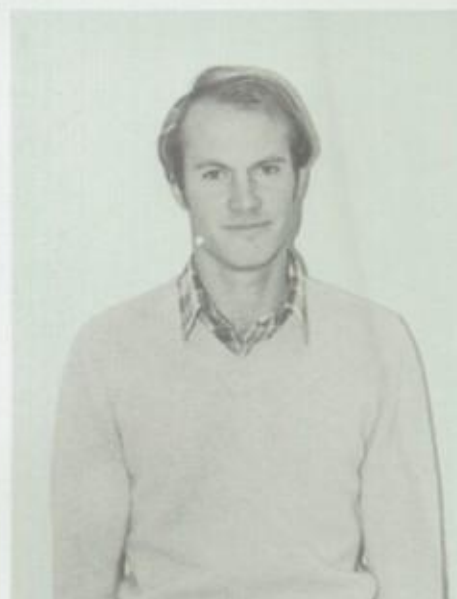

The girls came in second place at Regionals as Carla Halford set a personal record at the three mile Crystal Springs course. She ran to a fourth place finish at the Region 3 meet.

On the boys side the Varsity team finished 4th at the Regional meet. Led by Todd Owens and Greg Hales who finished 14th and 17th respectively. At league finals the boys placed 2nd behind Willow Glen, who finished 1st in C.C.S. and first in the State.

This years Cross Country's success was due to the excellent coaching staff of returning Head Coach Wayne Burdick and Asst. Coach Wayne Meyer.

Once again Leland has produced an undefeated varsity volleyball team. The tradition of being STAL champions continues! With an overall record of 10-0, under the devoted coaching of Laura Coleman, Leland was granted a spot in the C.C.S. finals. Nicole Buller, the team's captain, kept the girls notably close which ultimately lead them to their success. Alice Crocker, another team asset, was awarded MVP of the entire league. First team All-League awards went to Missy Alongi, Nicole Buller, and Alice Crocker, followed by a Second All-League award to Anna Vacca accompanied by an honorable mention to Cheryl Bell. Leland's future volleyball teams took great as coach Coleman will be returning and the majority of the team members will be participating in another non-school volleyball league for the remainder of the year.

Leland was off to a great start. Beating Pioneer 71 to 44, but to no avail. They lost four in a row and CCS chances looked slim. At the beginning of the second half of the season they beat Pioneer, Willow Glen, and Lincoln. They had to win their next two games for any chance for a CCS spot. They lost both of them, but they had given 100% and who could ask for more. The team ended up with a 10-12 overall record, and only a 4 and 10 season record.

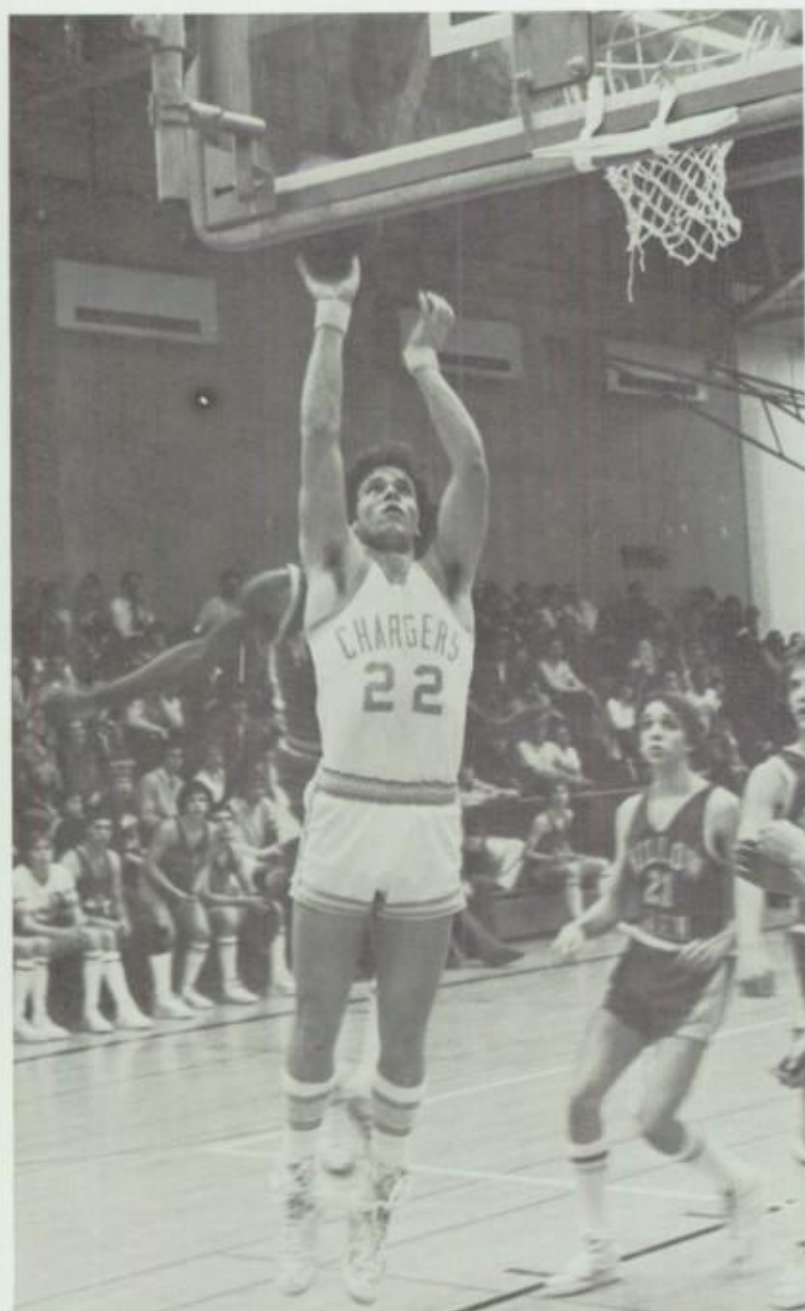

We had many outstanding young men on the Varsity Basketball Team. Chris Anderson led the squad in scoring with a 15 point average per game. Mike Haysbert averaged over 10 rebounds a game. Bob Griffin with over 10 points a game, and Todd Martinski who had many of these assists. Mark Drenth was able to provide many great plays in the season, which showed Leland's true potential.

These fine players will not be with us next year, along with the talents of Shawn Miller and Byron Casey. Eight of the players will return, and this will be a fresh start for a CCS team.

Girl's Varsity Basketball, coached by Barbara Beard, had a good season. With an 8 win and 2 loss league record, they took second place and a position in the CCS playoffs. In the semi-finals they beat Milpitas, Westmont and lost a great game to Cupertino by two points. There were many outstanding performances this year. Alice Crocker scored 34 points against Fremont, while Cindy Elkins was 11 for 13 from the field for 84 per cent and a school record against Santa Teresa. Congratulations to Coach Beard and her outstanding team.

Mark Dean (Heavyweight) took STAL second place and CCS fourth place and has been a 2 time Nor-Cal and a 2 time state qualifier. Tony Foo also finished third in Nor-Cal and took second in CCS in the 122 pound division. Craig Barker has also been a 2 time Nor-Cal and state qualifier while also being a STAL champ and CCS champ this year. Jeff Brown (169) was a STAL champion, Darren Kikuchi (141) was a STAL second place, and Reid Melville (135) took a STAL third place.

This years Varsity and Junior Varsity Girl's Soccer Teams played spectacularly. The Varsity tied for 1st in League with Gunderson, and went on to the CCS playoffs. They were defeated by Los Gatos in the first round. Susan Kieninger broke a school record with 30 goals in 17 games, and the entire team broke the school record of goals scored with 98 while only allowing 7 against them.

The Junior Varsity played just as well as they scored 83 goals. Sixty seven goals were made during league games for an average of 6.7 goals per game!

Last year coach Don Bell felt optimistic about this years Boy's track team. But in the season opener, a triangular against Gilroy and Leigh, Leland dominated its opponents. This year the boys Varsity Team is lead by Seniors Vince Lewis, Bryan Boldan, and Todd Owens, Junior Brian Kellen and Sophomore Mike Flynn. This years Girls Varsity Team is lead by Seniors Carla Halford, Wendy Elliot, and Kate Van Eeghen, Juniors Nancy Grochowski, Cheryl Bell, Jeanette DeMoss, and Melinda Allison, Freshman Lori Lammle. The way the girls look now it could mean another league title. The Frosh/Soph Team also looks hopeful of winning the league title. They're lead by Sophomores Rod Spencer, Jeff Lynch, and Bill Blodgett. So far with the Leland Track Team having three major meets under their belts, could mean league championships for all three divisions.

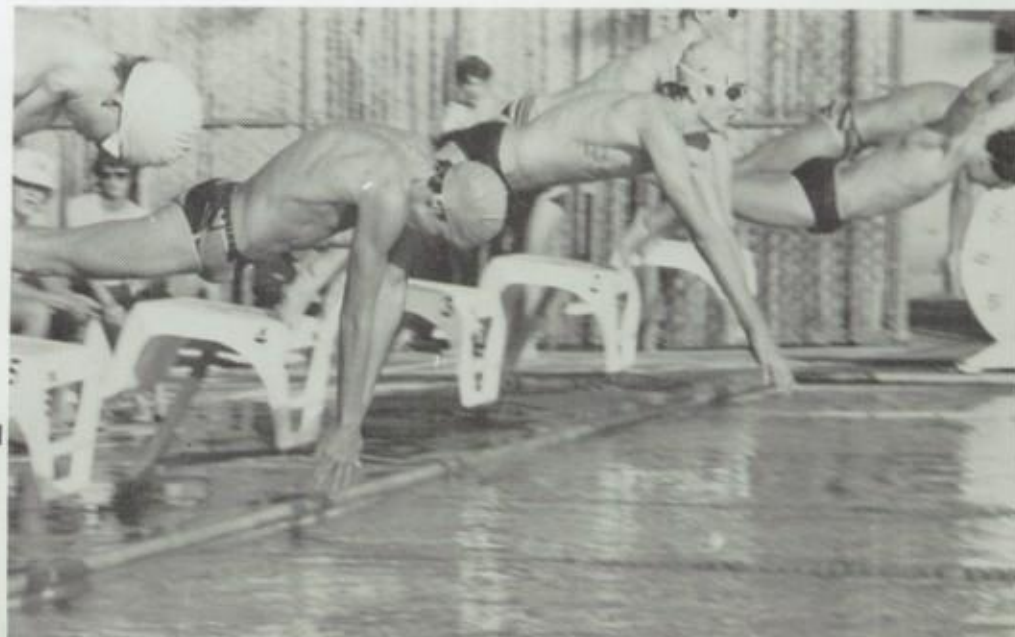

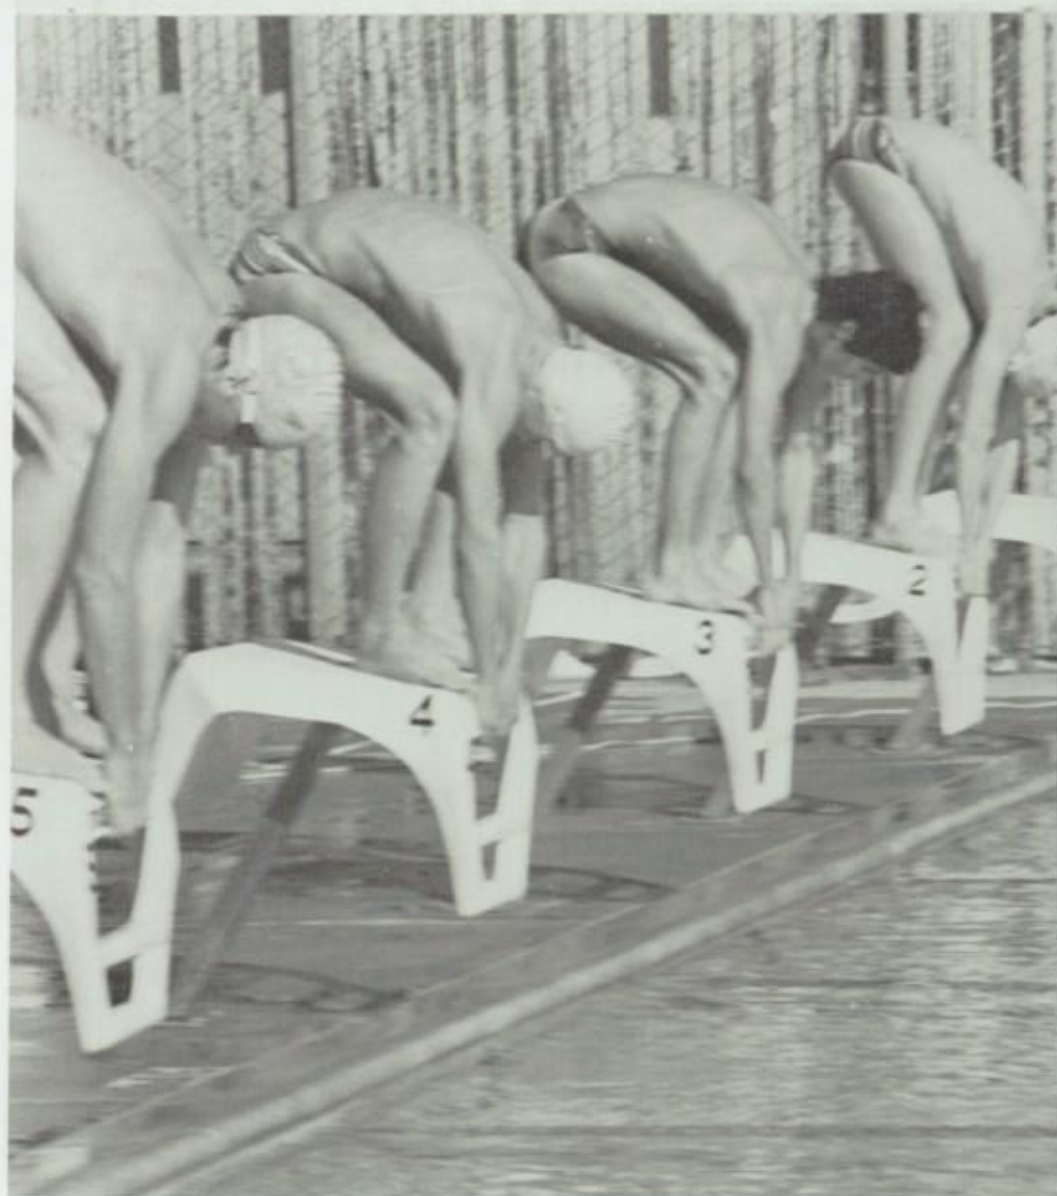

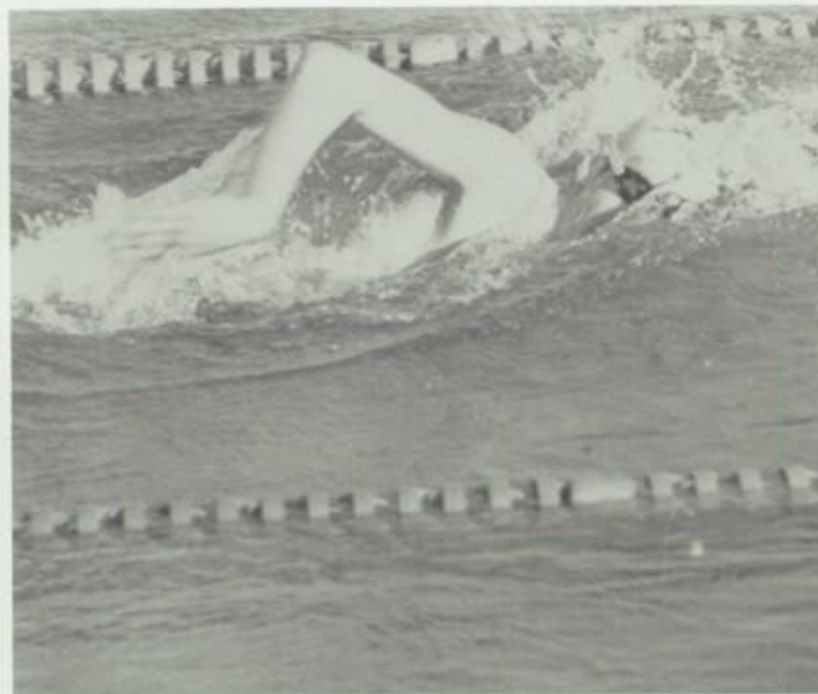

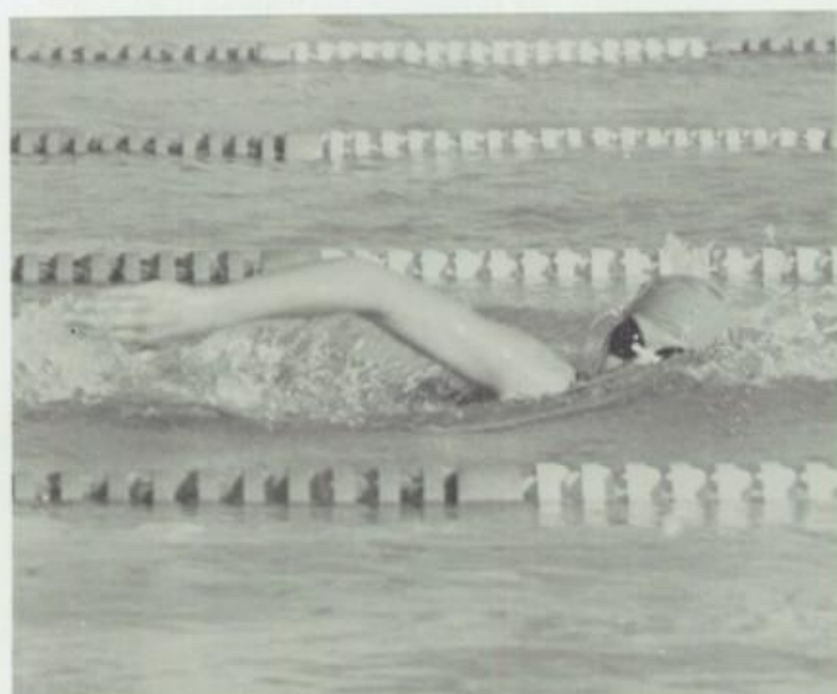

1983 SWIM TEAM

HAPPIER DAYS... "HAPPY JACK"

MR. MAHAFFEY IS MOVIN' ON

THANK YOU!

THE LELAND STAFF, STUDENTS AND COMMUNITY

1968 - 1983

"We, the first graduating class from Leland, were privileged to choose the Charger as team mascot, to name the school paper, the yearbook, and the Senior Tree, and to vote on the emblem that you will find on your school ring. (the crossed pick and shovel represent the quicksilver mines, and the 'LHS' in the form of a brand serves to remind us of the cattle ranching which was such a big part of the Almaden Valley. The tree is meant to be a fruit tree, for the Almaden area was once entirely orchards, and the final symbol is a radar dish - who'd have thought that the radar on Mt. Umumnum would not be there forever, bleeping away on our stereos and radios?)

We couldn't hope to win any athletic contests, with the exception of water sports, because there were so few of us. But even that fact had its advantages - people who could only hope to suit up and sit on the bench throughout every game at a larger school were first string at Leland. By the same token, everyone had an obligation to participate in student activities, for the smallest amount of apathy on anyone's part could have doomed us.

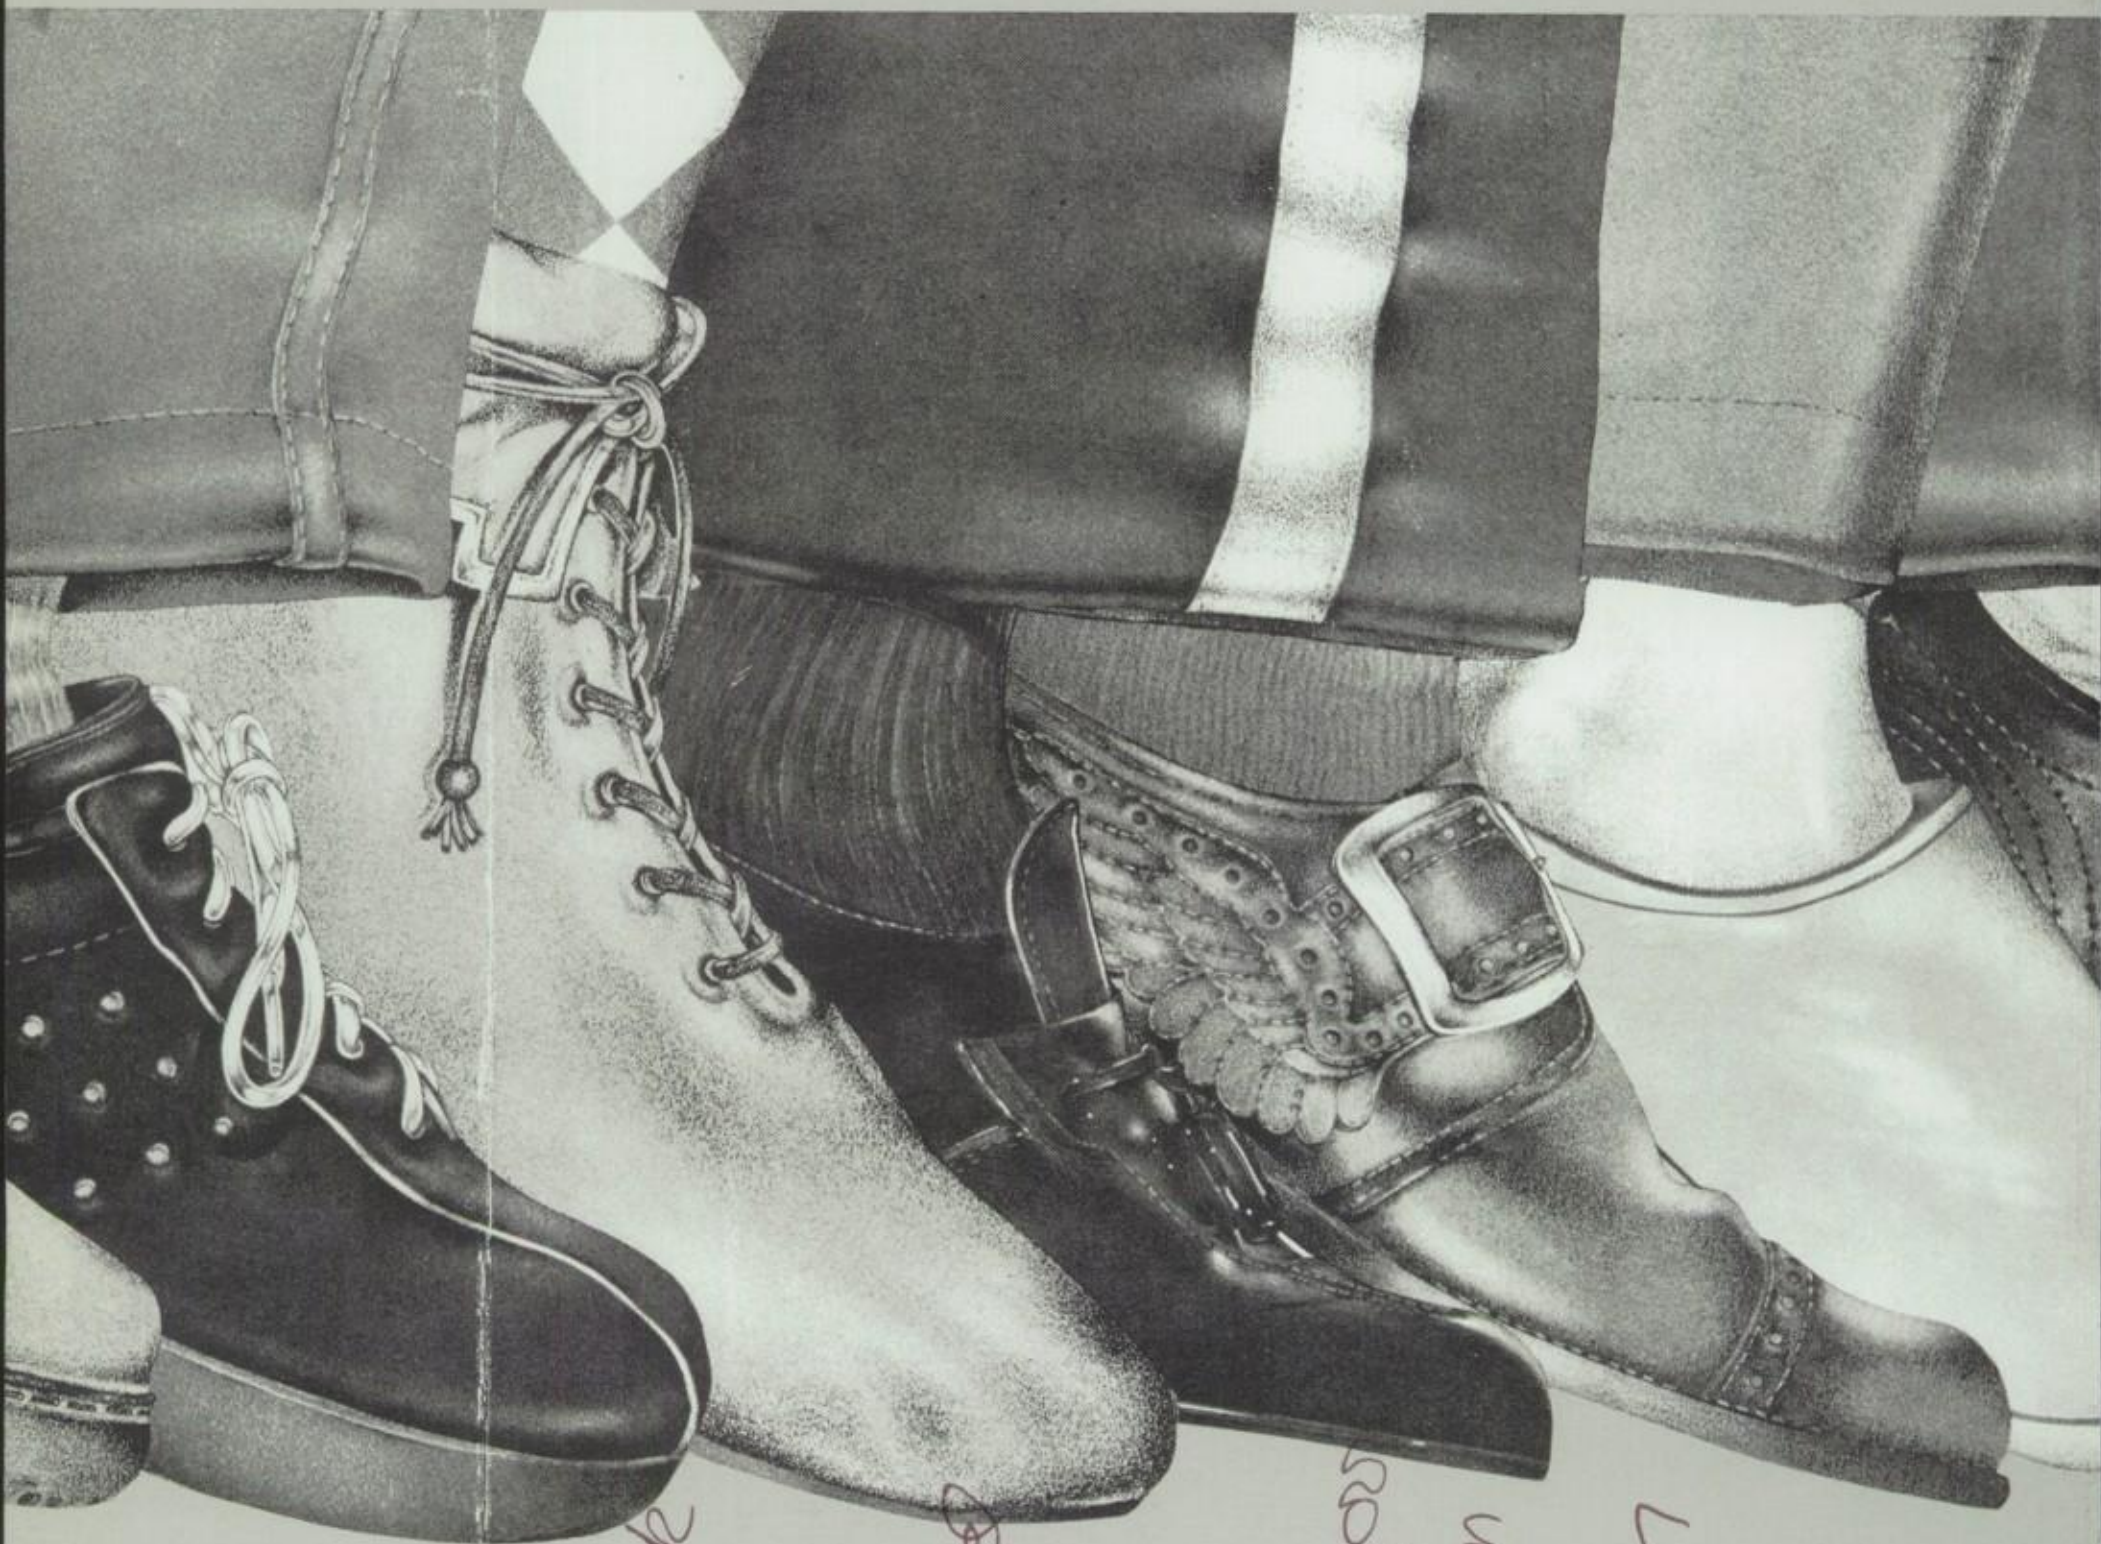

Aside from the fact that we were looked upon as "The Golden Ghetto" by other high schools, we were fairly normal in comparison to other student bodies; just a lot more smaller and a lot more proud of our school, and more closely knit as a group. We were still tied with our friends at Pioneer, and, in fact, we hold our reunions with them.

A lot has changed since then, but a lot more is going to change in the next fifteen years. Very few of us became what we had set out to be, and very few of us did what the others expected them to do. I might also add that very few of us listened to advice, either! Most of our heroes are dead, and some of our classmates, too. Many of our teachers have retired, a few have passed away, and I see grey in the pictures of some of the others - heck, there's grey in my own hair! What has been an entire lifetime to some of you reading this has been but a short time to me, and like yesterday to those on the faculty who were also there when Leland opened its doors for the first time: it will be the same for you fifteen years from today. Make the most of it - it's a big wide wonderful world beyond the boundaries of Leland High School, but Leland is a great school and I'm proud to have been among those who helped make it what it is."

and math. Mr. Shelton certainly is
a nice person. I think that I
will give him a big hug. (just
kidding!!) Well, maybe we will
get some classes together next
year. Have a great summer!

It's been great
knowing you in band.
Have a great summer and
hope to see ya next year.
Lots of luck!
